# Purpose/Objectives

**“... supports multiple goals of the *2018 Food Security in Nevada: Nevada’s Plan for Action*, including:**

- Align and enhance collaboration efforts of state and non-state agencies to strengthen statewide food security strategies;
- Support strategies that increase participation in state/federal nutrition programs;
- Support client-centered strategies that increase access to nutrition programs and resources that address determinants of hunger; and
- Establish evaluation and reporting processes to enhance data collection to drive future strategies and track progress in improving food security in Nevada.

# Purpose/Objectives

**All proposed projects must align with the following objectives:**

- Provide cost effective services accessible, available, and responsive to the needs of individuals, families, and their communities;
- Foster a service delivery system responsive to the individual and cultural diversity of the people and communities served;
- Provide a comprehensive and integrated system of services to promote self- sufficiency; and
- Conduct a systematic evaluation of program activities to improve the effectiveness of the FHN funds.”

# Budget

“Budget Funding Limitations: ***All subrecipients must allocate 50% of requested funds towards procurement of foods that support a healthy diet.*** Up to 40% of the requested funds may be used for case management and personnel. Up to 10% of the funded amount may be reimbursed for indirect costs.”
