

HEALTH FACILITY COMPLAINT FORM

VISIT [HEALTHFACILITYCOMPLAINTS.NV.GOV](https://healthfacilitycomplaints.nv.gov)

The Nevada Division of Public and Behavioral Health's Bureau of Health Care Quality and Compliance (HCQC) regulates specific types of health facilities, [which can be found on the web page inked here](#). Any complaint filed with HCQC will be reviewed and, if necessary, forwarded to another agency.

Each complaint is assessed and prioritized based on a situation that may result in substantial, minimal or no harm to one or more individuals. Based on this assessment, an investigation could begin in as little as 48 hours or when staff resources are available.

To file a complaint, go to healthfacilitycomplaints.nv.gov.
