

NAC 459.154 Applications for registration; temporary use of portable machine. ([NRS 439.150](#), [459.201](#))

1. Except as otherwise provided in subsection 2, each person who controls an unregistered, operational radiation machine shall apply to the Division for registration of the machine within 30 days after installing the machine.
2. A person who brings a portable machine into this State for a temporary use of 180 days or less in any calendar year:
 - (a) Must apply to the Division for registration of the machine for a temporary use at least 3 working days before using it in this State;
 - (b) Shall comply with all other applicable provisions of [NAC 459.010](#) to [459.950](#), inclusive;
 - (c) Shall furnish the Division with any other information it may reasonably request; and
 - (d) Shall not use the machine in this State more than 180 days per calendar year.
3. The application must be made on the Division's Form NRC-4, Application for Registration of Radiation Machine. A copy of the form may be obtained from the Division. A separate application and registration are required for **each control console** of a radiation machine.
4. Each application for registration of an X-ray machine must contain a list of the numbers of the X-ray tubes associated with a control panel.
5. Each person who controls a radiation machine must designate on the application form a person where the machine is located who is responsible for protection against radiation.
6. Each person who seeks to engage in the business of installing radiation machines, furnishing services or repairing radiation machines in this State must apply for registration with the Division and receive a certificate of registration before furnishing any services.
7. Each application for registration by a person to install, service or repair radiation machines must be accompanied by a nonrefundable annual fee of \$140, or the application must not be acted upon by the Division.
