NARRATIVE

Dear Esteemed Members of the CWCD Advisory Council:

I am submitting the required materials in order to be considered to become a member of the CWCD Advisory Council. I believe I am the most qualified applicant for this great honor due to my unique combination of experience, education, and genuine passion for the advancement of positive health outcomes for the residents of Nevada. I am the current Statewide Program Officer for the Office of Minority Health and have in-depth knowledge of health disparities, health promotion, chronic disease prevention, and community organizing.

I have over ten years of successful experience in working with diverse populations, implementing health promotion campaigns and initiatives, and varied experience increasing awareness regarding chronic disease. This experience has included one-on-one case management to making health-related presentations and organizing health events for large populations.

Becoming a member of the CWCD Advisory Council is an exciting opportunity to positively impact the health of Nevadans. I am very interested in this position and would be a great asset to your team.

Thank you for your time and consideration in reviewing this document and the included materials.

Sincerely,

A handwritten signature in cursive script that reads "Tameca A. Ulmer".
