BUREAU OF BEHAVIORAL HEALTH WELLNESS AND PREVENTION GRANT CONDITIONS AND ASSURANCES

General Conditions

1. Nothing contained in this Agreement is intended to, or shall be construed in any manner, as creating or establishing the relationship of employer/employee between the parties. The Grantee shall at all times remain an “independent contractor” with respect to the services to be performed under this Agreement. The Department of Health and Human Services (hereafter referred to as “The Department”) shall be exempt from payment of all Unemployment Compensation, FICA, retirement, life and/or medical insurance and Workers’ Compensation Insurance as the Grantee is an independent entity.
2. The Grantee shall hold harmless, defend and indemnify the Department from any and all claims, actions, suits, charges and judgments whatsoever that arise out of the Grantee’s performance or nonperformance of the services or subject matter called for in this Agreement.
3. The Department or Grantee may amend this Agreement at any time provided that such amendments make specific reference to this Agreement, and are executed in writing, and signed by a duly authorized representative of both organizations. Such amendments shall not invalidate this Agreement, nor relieve or release the Department or Grantee from its obligations under this Agreement.

The Department may, in its discretion, amend this Agreement to conform with federal, state or local governmental guidelines, policies and available funding amounts, or for other reasons. If such amendments result in a change in the funding, the scope of services, or schedule of the activities to be undertaken as part of this Agreement, such modifications will be incorporated only by written amendment signed by both the Department and Grantee.

4. Either party may terminate this Agreement at any time by giving written notice to the other party of such termination and specifying the effective date thereof at least 30 days before the effective date of such termination. Partial terminations of the Scope of Work in Attachment A may only be undertaken with the prior approval of the Department. In the event of any termination for convenience, all finished or unfinished documents, data, studies, surveys, reports, or other materials prepared by the Grantee under this Agreement shall, at the option of the Department, become the property of the Department, and the Grantee shall be entitled to receive just and equitable compensation for any satisfactory work completed on such documents or materials prior to the termination.

The Department may also suspend or terminate this Agreement, in whole or in part, if the Grantee materially fails to comply with any term of this Agreement, or with any of the rules, regulations or provisions referred to herein; and the Department may declare the Grantee ineligible for any further participation in the Department’s Grant Agreements, in addition to other remedies as provided by law. In the event there is probable cause to believe the Grantee is in noncompliance with any applicable rules or regulations, the Department may withhold funding as outlined in the current Grant Instructions and Requirements.
