ORIGINAL TEXT

4. Eligible Entities

The block grant and federal grant authorizing legislation implementation regulations prohibit the assistance to any entity other than a public (government entity excluding local mental health authorities) or a nonprofit entity/organization and requires that funding be used only for authorized activities¹ as defined by the state needs assessment and strategic priorities.

MODIFIED TEXT

4. Eligible Entities

The block grant and federal grant authorizing legislation implementation regulations prohibit the assistance to any entity other than a public (government entity excluding local mental health authorities) or a nonprofit entity/organization and requires that funding be used only for authorized activities as defined by the state needs assessment and strategic priorities. **However, funding under State Opioid Response (SOR) is expanded to include private organizations as eligible applicants. The SOR funds allows private, public, government or non-profit organizations to apply.**

ORIGINAL

E. Budget

Provide a budget that is complete, cost effective, and allowable (e.g., reasonable, allocable, and necessary for program activities). All proposals must include a detailed project budget for each project period requesting grant funding. If one shot funding is requested, that should be identified in project period one only. The budget should be an accurate representation of the funds needed to carry out the proposed Scope of Work and achieve the projected outcomes over the grant period. If the project is not fully funded, the DPBH will work with the applicant to modify the budget, the Scope of Work and the projected outcomes. Maximum of eight (8) pages.

MODIFIED

E. Budget

Provide a budget that is complete, cost effective, and allowable (e.g., reasonable, allocable, and necessary for program activities). All proposals must include a detailed project budget for each project period requesting grant funding. **A line item budget is ONLY permitted for the women's service priority target population. Treatment is a direct service under the Medicaid enhanced FFS rates attached in Section E. Indirect is not permissible for direct services.** If one shot funding is requested, that should be identified in project period one only. The budget should be an accurate representation of the funds needed to carry out the proposed Scope of Work and achieve the projected outcomes over the grant period. If the project is not fully funded, the DPBH will work with the applicant to modify the budget, the Scope of Work and the projected outcomes. Maximum of eight (8) pages.
