Nevada Division of Public and Behavioral Health
4150 Technology Way, Suite 210
Carson City, NV 89706

To Whom It May Concern:

I have been a member of the Advisory Committee on the State Program for Oral Health (AC4OH) for several years. During that time, I have been involved in various aspects of the committee, Division of Public and Behavioral Health and community engagement. I have actively recruited new members for AC4OH in addition to offering guidance to current members and the Oral Health Program.

My recent term for membership ended on June 30, 2016. I would request to be considered for another two year term such that I can help strengthen the role of AC4OH in the community and help with the transition of the new State Dental Health Officer.

Sincerely,

Christina A. Demopoulos, DDS, MPH
Diplomate, American Board of Dental Public Health
