Registration Guide

State Emergency Registry of Volunteers NEVADA (SERV-NV)

Be Prepared! Get Involved! Volunteer!

- Nevada has been working on a way to ensure volunteers are easily accessible during emergencies.
- SERV-NV was developed to collect and maintain volunteers who are able to provide assistance to an affected area during a disaster or public health emergency.
- It is now required that all volunteers register with SERV-NV prior to deployment.

This presentation will walk you through the registration process!

Once you have clicked **Next**, you will see this notice:

Click on **Profile Summary** to complete your profile.

All of the following pages can be seen in **My Profile**. Please visit each section to fill in the required information. At the top of each page there is an **Edit Information** button. After you have filled in your information, scroll to the bottom and click **Save Changes**, then move on to the next section.

When you have successfully saved your data, you will see the green Success bar at the top.

You can use the **tabs** at the top to **visit each section**, or you can use the **Summary** tab to see the areas you have not yet visited.

| Summary | Identity | Deployment Prefs | Contact | Occupations | Training | Skills & Certifications | Medical History | Background Check | Settings |
*Note: On the **Summary** tab, the **Skills & Certifications** section will already be **green** indicating it is complete even if no information has been entered. Please be sure to visit this page as well to add any information you think would be relevant.

*Note: On the **Summary** tab, the **Training** and **Medical History** sections will turn **green** indicating they are complete once you have visited them, even if no information has been entered. You can come back anytime to make changes.

✓**Training** (complete)
Your completed training courses.

✓**Skills and Certifications** (complete)
Your expertise to be considered for deployment eligibility and your prior deployment history.

✓**Medical History** (complete)
Your health conditions that may affect deployment eligibility and your vaccination history.

Also within **My Profile** is the **Settings** section.

Within the **Settings** tab, you are able to:
- Change your Account Status
- Change your Username
- Change your Password
- Change your Security Question
- Change your Display Preferences

Once you have completed each section, go back to the **Summary** tab to review.

Your profile should be at 100% complete.

After your profile is complete, the next time you log in, it will take you to the **Home** tab. From there you can view any updates or any messages you may have received since the last time you logged in.

On the **Messages** tab, you can view all of your messages, and you can send messages to the organization coordinator/administrator.
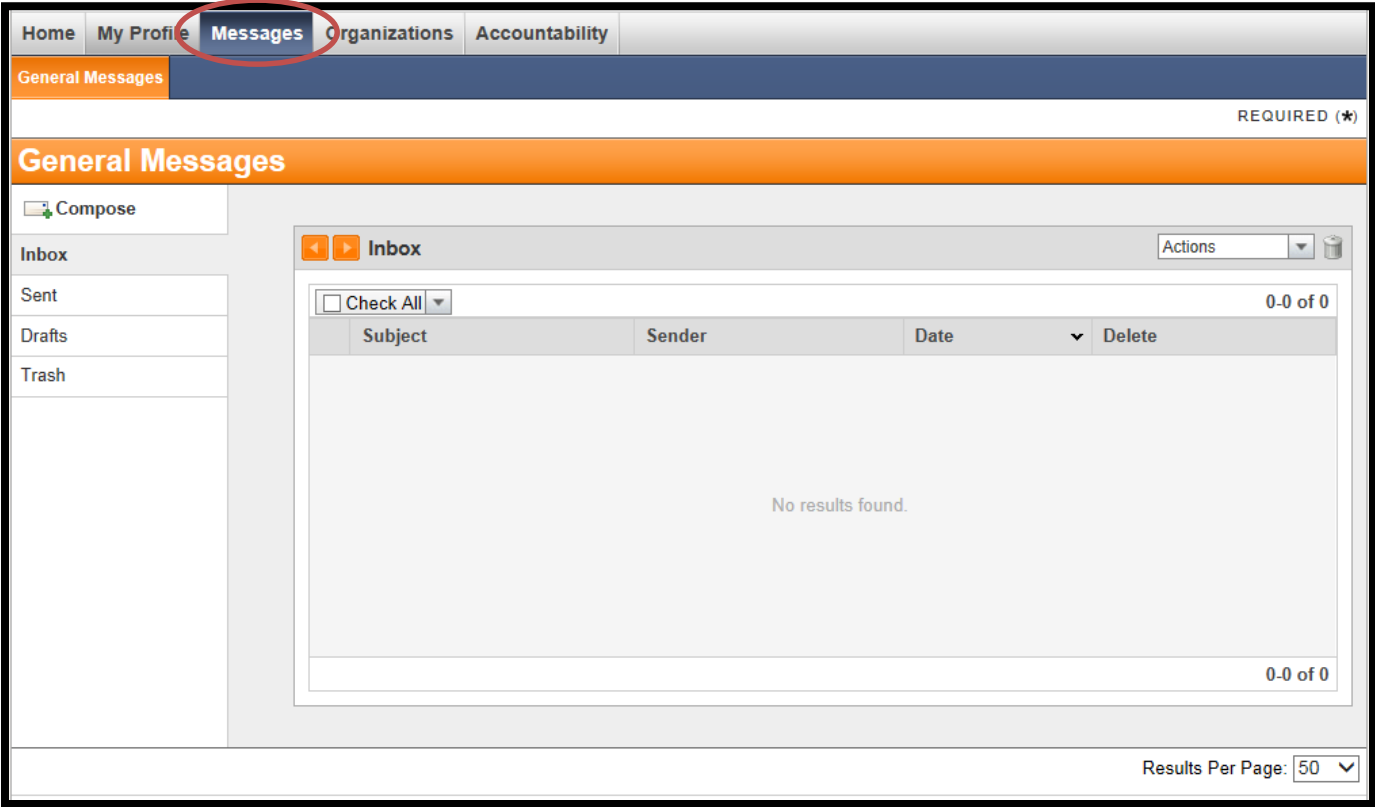

From the **Organizations** tab, you can view which organization(s) you are apart of and check your status. From here you can also withdraw from an organization.

If you click on **All Organizations** you will see a list of the organizations that are available for you to join. Simply click on the title of the Organization, then click the **Join** button located above the Organization description on the right.
