Come join us at the 4th Annual N. Lyon Co. Fire and EMS Paramedic Refresher

A 40 hour Paramedic/AEMT Refresher

October 23 through 26, 2017 from 0800 to 1900 each day

Up to 40 hours of NSBN (Nursing) and State EMS CE available

John Mohler and Company are once again conducting a 40 hour Paramedic and AEMT Refresher and CE event. John and his guest instructors promise to bring the newest and greatest in EMS and promise to "raise the bar" as far as EMS Refreshers are concerned.

Attendance of the entire program will allow for a "Paramedic and AEMT" Refresher course, approved through the State EMS section (approval pending) and is approved for up to 40 hours of Nursing CE (NSBN CE provider # 00152) and will be useful for EMS CE in both Nevada (TC#16504) and California (Sierra-Sacramento Valley EMSA CE provider # 65-0114) re-certifications.

Upon successful completion of this Refresher course a student will be awarded a Certificate of Completion and after a skills evaluation (provided by your medical director or agency), will allow the student to complete either a state or national registry renewal application.
