

Paramedic Refresher Course

48-Hour, 1 week State Approved Refresher Course, or

Individual CE Classes Available

Please join us for our 3rd Annual Paramedic Refresher! REMSA offers a course that meets the current requirements for recertification in the State of Nevada. Paramedics that complete the full course will meet all requirements of a 48 hour refresher course. The additional 24 hours required for National Registry can be completed by attending ACLS, PALS, ITLS recertification courses, or other continuing education courses. This course is also taught to the critical care level.

The course will be structured to offer lectures in the morning followed by an afternoon of hands on scenarios and skills practice that will ensure you are able to practice and get engaged in learning. Local topic experts will be providing current and relevant lectures each morning. Participants that wish to only attend single days will be issued 10 or 8-hours of continuing education. A full day of attendance is required for CE's.

Class meets every Monday

November 27, 2017 0800-1800

November 28, 2017 0800-1800

November 29, 2017 0800-1800
