Your facility has been identified as needing to comply with the requirements of Senate Bill 362 of the 2013 Legislative Session. As such you must supply this attestation as part of your renewal application.

In accordance with SB 362 of the 2013 Legislative Session, your hospital must adopt and disseminate to each licensed nurse and certified nursing assistant employed by the facility a written policy that sets forth the circumstances under which a licensed nurse or certified nursing assistant may refuse or object to a work assignment.

The staffing committee of your hospital must consist of: (a) Not less than one-half of the total members from the licensed nursing staff and certified nursing assistants who are providing direct patient care at the hospital; and (b) Not less than one-half of the total members appointed by the administration of the hospital.

Your hospital must ensure it is staffed in accordance with its documented staffing plan.

Attestation

This hospital has complied with all requirements outlined in SB 362 of the 2013 Legislative Session. An electronic file containing written policies and the staffing plan for the hospital will be provided to the Division of Public and Behavioral Health as evidence of compliance.
