### Nevada System of Higher Education Hosts **Valuable** Statewide Presentation for Federal Loan Repayment and Scholarships for Health Sciences Students

*Las Vegas, Reno, Carson City, Henderson, Elko* – Health sciences students are facing higher costs for education and accumulate significant debt by the end of their training. To help Nevada's students and health professionals, the Nevada System of Higher Education in conjunction with the Nevada Primary Care Office is hosting a statewide presentation that will outline major federal and state programs that support the health professional workforce. One of these major programs is the National Health Service Corps (NHSC), which currently supports 64 NHSC providers in Nevada. The presentation will be available at college campuses throughout Nevada.
