TO: Maternal Child Health Advisory Board

FROM: Keith R. Brill, MD, FACOG, FACS

RE: Interest in position on MCHAB

I would be honored to be selected for a seat on the MCHAB. I have been a practicing OB/GYN physician in Nevada since 1999. I served as Chief of OB/GYN at Mike O'Callaghan Federal Hospital at Nellis Air Force Base during my active duty time from 1999-2003. I then joined a new private practice, Women's Specialty Care, at its original office in Summerlin. As a partner, I helped create the largest private Ob/Gyn practice in Nevada. In 2015, I joined Women's Health Associates of Southern Nevada, practicing in the South Valley Care Center (also known as Essential Women's Health Associates).

I am actively involved in the medical community here in Nevada. I am the current Nevada Section Chair of the American College of Obstetricians and Gynecologists (ACOG). I served as President of the Clark County Medical Society from 2013-2014, and I am currently the Immediate Past President. I served as Chairman of OB/GYN at Spring Valley Hospital Medical Center in Las Vegas from 2005-2015. I also served as the Co-Chair of the Nevada State Medical Association Government Affairs Commission from 2010-13. I am currently the Nevada ACOG Legislative Chair.

On June 19, 2015, I will be graduating from the Leadership Las Vegas program, offered through the Las Vegas Metro Chamber of Commerce Foundation. This program has exposed me to leaders across the region in various disciplines. The experience has been invaluable.

I feel I will make a positive and significant contribution to the MCHAB here in Nevada. I have a specific interest in maternal mortality and hope to expand our state's efforts to prevent this tragic outcome here in Nevada.

I thank you for your consideration.

Respectfully,

Keith R. Brill, MD, FACOG, FACS
Chair, Nevada Section of ACOG
Immediate Past President, Clark County Medical Society
