Preventive Health and Health Services Block Grant Update (PHHS)**

January 18, 2018

Grant Information:

- There are currently no new grant updates.

Evaluation & Reporting:

- Evaluation indicators were submitted to Centers for Disease Control and Prevention (CDC) October 31st 2017.
- Closeout reports and Federal Fiscal Report (FFRs) were submitted December 29th 2017.
- Prevention and Public Health Fund (PPHF) reporting was submitted January 10th 2018.
- Subgrant quarterly reports were due mid-January and TA/evaluation calls will be scheduled to review.
- Chronic Disease Directors were polled to determine a time for a meeting by Ms. Bonk.
- Upcoming reports for this quarter include the APR.

Success Stories:

- We are still awaiting the final outcome for the grantee highlight story we submitted on the self-monitoring blood pressure pilot program.
- Of interest, in submitting our closeout report, all impact objectives and activity goals were achieved or exceeded across all grant domains, with the exception of one, which was delayed but in progress.
- We are currently reviewing grant topics and will be working on success stories this quarter.
