

**Chronic Disease Prevention and Health Promotion Section
Advisory Council on the State Program for Wellness and the Prevention of Chronic Disease
Preventive Health and Health Services Block Grant Update (PHHS)**

October 18, 2018

Grant Information:

- The 2017-2018 PHHS Grant closed on 9/30/18 and the next round began on 10/1/18.

Evaluation and Reporting:

- Quarter 4 reports will be coming in soon from partners.
- There are no new Centers for Disease Control and Prevention (CDC) or State updates for evaluation and reporting this quarter.

Success Stories:

- Our CDC Project Officer requested we submit a success story regarding embedding the Division of Public and Behavioral Health (DPBH) Obesity Prevention and Control Program into PHHS as an innovative strategy to maintain the program.
- We will begin reviewing other success story ideas from the quarter 4 grant reports soon.
