

**Chronic Disease Prevention and Health Promotion Section
Advisory Council on the State Program for Wellness and the Prevention of Chronic Disease
Preventive Health and Health Services Block Grant Update (PHHS)**

April 18, 2019

Grant Information:

- The second quarter of the 2019 grant ended March 31st.
- The Centers for Disease Control and Prevention (CDC) released state funding allocations for the upcoming grant year (2019-2020); PHHS, as a whole, incurred a 7% reduction, so all states will receive reduced funding amounts in the upcoming year.
- CDPHP will be working with partners on the upcoming grant years budget and work plans.

Evaluation and Reporting:

- Quarter 2 reports will be coming in soon from partners.
- The Annual Progress Report (APR) for the current grant cycle was submitted on February 1st.

Success Stories:

- The success story was submitted to CDC on February 1st.
