NEVADA’S COALITION STRUCTURE

PRESENTED TO:
NORTHERN REGIONAL BEHAVIORAL HEALTH POLICY BOARD

MAY 10, 2018

Supporting a network of community coalitions to promote a healthy Nevada
How the Coalition Structure Began

- **October 2001** – Bureau of Alcohol and Drug Abuse (BADA) presented the vision of supporting and/or creating functional coalitions representing all counties in Nevada. Coalitions would incur the responsibility of prioritizing what programs are right for a community, while the state moved towards a technical assistance role. The state would continue to certify coalitions and direct service providers. The coalition infrastructure would be built first, then money would be dispersed through coalitions to direct service providers.

- **November 2001** - Sheila Leslie, District 27 Assemblywoman; Carlos Brandenburg, Administrator, Division of Mental Health, Developmental Services; Larry Carter, Chief, Division of Child and Family Services, Juvenile Justice Programs; and Maria Canfield, Bureau Chief, Division of Health, Bureau of Alcohol and Drug Abuse outlined their commitment to the coalition process by establishing the NV Statewide Coalition Partnership through a Youth Mental Health grant.
How the Coalition Structure Began

- **Coalitions in Existence in 2001:**
  - 1989 - Partnership Carson City (Carson City)
  - 1991 - Healthy Communities Coalition, informally (Lyon, Storey, Mineral Counties)
  - 1992 - Partnership of Community Resources, (Douglas County)
  - 1995 - JTNN (Washoe County)
  - 2000 - Churchill Community Coalition, (Churchill County)
  - 2000 - Nye Communities Coalition, informally, (Nye, Lincoln, Esmeralda Counties)
  - PACE Coalition, being formed (Elko, White Pine, Eureka Counties)
  - Frontier Community Coalition, being formed (Humboldt, Lander, Pershing Counties)

- **Coalitions established in 2010:**
  - PACT Coalition (Clark County)
  - Care Coalition (Clark County)
  - Community Prevention Coalition (Rural Clark County)
How the Coalition Structure Progressed

- Many of the formalized coalitions first received Drug Free Communities funding in the mid 2000’s.
- In 2004, Richard Whitley began to support the coalition process through his role in managing chronic disease programs.
- In 2008, BADA secured the SPF SIG funding to further support the coalition process and begin funding local prevention services through the coalitions.
- In 2009, State Prevention Infrastructure (SPI) and Methamphetamine Education and Awareness monies were secured through the legislature. SPI funds intended to support sub grantee direct services.
- Soon after, Block Grant funds were allocated to the coalitions to support primary prevention infrastructure.
- In 2013, Partnerships for Success funds were secured to address the opioid problem.

**Sub-Recipients Include:**

- HCC: Central Lyon Youth Connections, Yerington Paiute Tribe, Turning Point, Mineral City Coalition, B&G Club, Community Chest
- PCC: B&G Club, United Latino Community, Capital City Circles, Ron Wood Family Resource Center
- PDC: Suicide Prevention Network, Tahoe Youth & Family Services, Me For Inc. Youth, Inc.
- CCC: Care Net, New Frontier, Churchill County School District, Fallon Youth Club
Example of How We Roll

- **Issue:**
  How can the coalitions be responsive to a community or statewide need and ensure access to education, training, services, and resources.

- **Goal:**
  How can the identified strategy be implemented in the most cost effective manner while meeting the needs of the communities and the state.

- **Strategy:**
  How can strategies be replicated in multiple communities, avoiding duplication of resources and efforts.

History of FASTT/MOST

- November 2012 – Richard Whitley approached Partnership Carson City Steering Committee with the idea for FASTT

- PCC wrote and received grant from Office of Justice Programs (OJP) for $248,921 for 2 years (2013 – 2015)

- SAPTA funded program through Substance Abuse and Mental Health Block grants in the amount of $283,593 (2015 – 2017)

- SAPTA funded program through State General Funds in the amount of $280,088 (2017 – 2018)
FY18 MOST/FASTT Funding

Additional resources leveraged by other coalition funding

- CIT training
- Mental Health First Aid
- SafeTalk
- Spanish translations
- Jail clinician time
- Equipment
Other Mental Health Efforts

- Mental Health First Aid – Youth, adult, Spanish, and discipline specific
- Signs of Suicide (SOS)
- ASIST
- SafeTalk
- NAMI programs
- Project Aware
- Social/Emotional Learning training
- Media and promotion
- Parenting Project
- Ignite
Next Steps…

- How can we engage as partners?
- How can we avoid duplication of efforts?
- How can we support behavioral health efforts statewide?

Thank you for partnering with us!
