**All Exhibiting Corporate Partners**

*from the desk of...  
the President*

July 26, 2015

Dear Friends and Colleagues,

On behalf of the International Association of Coroners & Medical Examiners, I would like to welcome you to the 2015 IAC&ME Annual Training Symposium. This is a very exciting year for the IAC&ME as we have continued to host Forensic Odontology Course, but have extended it from 2 days to 5 days. We are also once again hosting the Basic Medicolegal Death Investigation Course. We have committed to continue these two courses and are confident they will grow in years to come.

Due to the hard work of our Executive Board and many of our members, the IAC&ME has secured a seat at "the table" in nearly every federal working group that has been formed over the past 4-6 years, including the National Commission on Forensic Science, giving the IAC&ME an extremely significant voice at the federal and national level. In 2015, the IAC&ME held its interim meeting at the American Academy of Forensic Science Meeting in Orlando, Florida. We feel this is very beneficial to the association and look forward to becoming more integrated in the Academy.

I, personally would like to thank the staff at the Clark County Office of the Coroner/Medical Examiner and the hard work they've put into this event to make it such a success.

I hope everyone enjoys the conference, and our city of Las Vegas, and most importantly, please do not forget to network with other attendees and thank the exhibitors for their support.

Respectfully,

John Fudenberg, D-ABMDI  
IAC&ME President

# A D V A N C E D - A G E N D A

**Sunday, July 26**

Board Meeting	12:00 - 4:00 pm
Location: Merion Room 2nd Floor Carson Tower	
Attendee Registration	4:30 - 6:30 pm
Exhibitor Meet & Greet	5:00 - 8:30 pm

Web: [www.shivashade.com](http://www.shivashade.com)

Eco-friendly room deodorizer. Neutralizes all odors. Eco-friendly incision sealant called Absorb-It. Put in an incision and it will not harden or suck color out of skin. Will not swell but gels. Suture BeGone glue does not crystalize. Put Make on over it, dries clear, works great on cranium, bone to bone. We have our newest product Bio-Mint. Used to neutralize odors for ship outs and cripts.
