How to Use This Directory

Community resources helpful to families and young children have been compiled in this directory. Most are organized according to county or region of location; however, please also see the statewide resources section for additional services available.

In Case of an Emergency, Call 9-1-1

An emergency is any situation requiring immediate assistance from the police, fire department or ambulance. If you are not sure whether the situation is a true emergency, officials recommend calling 9-1-1 and letting the operator determine if need emergency help. When calling 9-1-1, be prepared to answer the following questions:

- The location of the emergency, including street address if possible
- The phone number you are calling from
- The nature of the emergency
- Details about the emergency

If you or a child calls 9-1-1 by mistake, do not hang up. Stay on the line and explain the mistake to the operator.

For Additional Resources, Call or Text Nevada 2-1-1

Nevada 2-1-1 connects individuals with access to basic resources; physical and mental health resources, financial assistance, programs for children, youth, and families; support for older Americans and persons with disabilities, volunteer opportunities and donations; and community crisis or disaster recovery assistance. This service is available by calling 2-1-1 or texting your five digit zip code to 892811. You also can access the statewide database of resources using the website [www.nevada211.org](http://www.nevada211.org).
Featured Resources

State Specific Resources
Several resources serving the entire state are highlighted in the State Resources section.

Health Care Providers
Families covered by SmartChoice, NorthernChoice, and Nevada Checkup can access a list of providers using an online directory to find a physician, dentist, or other care. This directory is available online at:

http://www.hpnmedicaidnvcheckup.com/ProviderLists.htm

Health Plan of Nevada also features a 24-Hour Advice Nurse Service available 24 hours a day, 7 days a week. The Telephone Advice Nurse Service can help you decide whether to seek urgent care, emergency care or schedule an appointment with your provider. Patients can call 800.288.2264 to speak with a nurse.

Tobacco Cessation
The Nevada Tobacco Quitline is a free telephone and online coaching service for any Nevada resident who is ready to quit tobacco. Information, referrals and coaching are confidential, and sessions are designed on a schedule that is convenient for you. If you are eligible, you may receive free nicotine replacement therapy to assist you in quitting tobacco.

1-800-QUIT-NOW / 1-800-784-8669

Nevada WebIZ – Immunization Records
Nevada WebIZ, our statewide immunization information system (IIS) has a tool for easily printing Official Immunization Records- the Public Access Portal. The Public Access Portal allows parents and legal guardians to print official immunization records for their child(ren) (aged 0 through 17 years). It also allows adult individuals (aged 18 years and over) to print official immunization records for themselves. This is an official record and can be used as proof of immunization for school entry, summer camp, employment, etc.

To read more about the Public Access Portal, follow this link:
http://dpbh.nv.gov/Programs/WebIZ/dta/Community/Nevada_WebIZ_-_Community/ or visit https://izrecord.nv.gov today!

Nevada Crisis Call Center
Emotional support or other assistance during a crisis is available through the Nevada Crisis Line. Staff and volunteers are available 24 hours, 7 days a week, 365 days of the year. This is a confidential and free service. Crisis Call Center’s 24-hour crisis line provides safe, non-judgmental support for individuals in any type of crisis. In addition to the 24-hour crisis hotline, crisis intervention is accessible through text messaging. Text "ANSWER" to 839863. If you or someone you know is suicidal, call the National Suicide Prevention Lifeline immediately at 1-800-273-8255.
## Nevada Statewide Coalitions

Community Coalitions engage partners regionally to support service delivery and coordination of services. Contacting a coalition is a good way to learn about additional resources within the community, share information about your program, and learn about upcoming events.

Applications may be picked up at Nevada State Welfare, CHA, WIC, EHS, or many other public agencies in the Reno/Sparks area; then they are to be mailed in. Provides medical, dental, vision, and pharmaceutical health coverage for children 6 months to 18 years. Must meet certain income guidelines. You must submit an application to determine if you are eligible to receive Nevada Medicaid or Nevada Check Up benefits.
Each Community Health Nursing clinic offers a variety of services including nursing services to residents of all ages and incomes. The community health nurses provide services in 13 locations. Each clinic provides services at a low cost or using a sliding scale dependent upon income.

The Division of Public and Behavioral Health houses many programs such as the Bureau of Child, Family, and Community Wellness, Health Care Quality & Compliance, Health Statistics, Planning, Epidemiology, and Response, and Public Health and Clinical Services. It also houses the office of Vital Records where birth and death certificates can be obtained, the Medical Marijuana Program where MMP licenses can be obtained, and the WebIZ program where immunization records can be obtained.

To apply for Medicaid, contact your local Division of Welfare and Supportive Services District Office. Nevada Medicaid and Nevada Check Up can assist the public in taking responsibility for their own health by reimbursing providers directly for a wide variety of services. To get the most benefit, follow the guidelines, use the services wisely, and most importantly, lead a healthy lifestyle.

Nevada Primary Care Association (NVPCA) is the federally designated Primary Care Association for the state of Nevada. NVPCA is dedicated to assisting health centers and other community health providers with the implementation of solid business practices and community-responsive programs in an effort to improve service delivery effectiveness and efficiency.

Provides quality health care, testing and medication at no cost to residents of the community who cannot pay for such services and who have no health insurance.
