Greetings from On Common Ground:

We are hosting a fundraiser to help alleviate hunger for local Washoe County residents. On Common Ground's (OCG's) 5-Chef CookOff takes place April 19th in Moon Rabbit Café of Reno.

We would greatly appreciate your sponsorship; proceeds help fund On Common Ground's objectives to provide countywide access to nutritious food and to reduce food waste. Sponsorship of this event provides a unique opportunity to broaden awareness of your business and services, with a wide range of involvement levels designed to meet all budgets.

We also graciously accept monetary donations, donations of gift cards and items for silent auction. Please take a moment to review the attached form for this worthy cause.

On Common Ground (OCG) is a local 501c3 non-profit dedicated to connecting our community with nutritious food, education and tools to help adults and children meet their potential. *OCG* has designed a charitable system to minimize food waste and to improve food access through targeted retail grocery markets within food-desert areas. Incorporation of a sliding scale for food and necessities will assist low-income families to stretch their budget and make ends meet. Provision of access points for food and household supplies in underserved areas will create a new market base for growers, suppliers and distributors.

Donations are tax deductible per IRS 501c3 regulations. All sponsors will be mentioned by name during sponsored events and in event acknowledgements. As *OCG* does not yet employ paid staff and is a completely volunteer-run organization, *On Common Ground* and the people of Washoe County truly appreciate your contribution, as all funds raised directly benefit our local community.

Please visit OCGReno.org for more information. We look forward to hearing from you soon.

Sincerely,

A handwritten signature in cursive script that reads 'Michelle Dobbs'.
