# SFA: SB503 BATB Feedback

- Kids are less hungry...more focused in class (Carson City)
- Better student behavior and attention (Mater Academy)
- Higher participation when utilizing BATB during nutrition break (Clark County)

# SFA: SB503 BATB Reported Challenges

- Food waste: Offer vs. Serve
- School administrator and teacher support, preferences, and time constraints
- waste & mess (in the classroom)
- Logistics: cafeteria, staff, equipment, bell and bus times
- Limited number breakfast food items (Clark County)
- Increase in breakfast resulted in decrease in lunch participation and federal reimbursement (Washoe County)

# SFA BATB Upcoming Plans

- Improve menu and provide more options
- OVS and increased menu options in kiosks (Clark County)
- OVS in the classroom pilot (WCSD)
- Menu Concept Expo to determine student preferences (Clark County)
- Decreasing mess
- Roll out to more schools, use Breakfast in the Class model (Humboldt)
- Adjust length of breakfast to speed up lines.
- Direct marketing/promoting to students and parents
