

**Priority Area: Social Determinants of Health**

**Initiative: Food Security**

**Goal 1:** Reduce food insecurity and improve the overall food security ecosystem in Nevada to help eliminate the hunger gap

**Objective 1:** Improve collaboration, communication, coordination, and information-sharing among food ecosystem partners.

**Objective 2:** Increase representation of partners from transportation and housing sectors, tribal communities, and those who have lived experience with food insecurity in decision-making processes related to food security.

**Objective 3:** Support new strategic partnerships that can assist with transportation needs and efforts to distribute food to people, particularly individuals at increased/ higher risk for food insecurity.

**Objective 4:** Increase participation in state/federal nutrition programs by individuals experiencing food insecurity and/or who are higher risk for food insecurity.

**Indicator(s) to Measure Progress:**

- Food insecurity rate
- Number of clients served by food security service providers
- Percent of population eligible for SNAP who participate
