

## Remote Area Medical Event

June 21, 2018

Dear Healthcare Professional,

It is with great pleasure that we announce that Remote Area Medical (RAM) is returning to the community of Pahrump. With that in mind, we know that holding such a wonderful event for the people of this community would not happen without your help. At this time we are looking for Medical, Dental, Vision, and Mental Health professionals who are willing to provide these services to those in need.

We are looking to you to help provide medical care to those in our community who are not able to otherwise afford these services. Remote Area Medical travels all around the world garnering the aid of medical professionals just like you who are willing to see their communities thrive. We would be honored to have you be a part of this opportunity.

This year's Remote Area Medical Event will be taking place on the campus of NyE Communities Coalition in Pahrump, NV. The Coalition is located at 1020 E Wilson Road. Medical care will be provided on Friday, October 5<sup>th</sup>, Saturday, October 6<sup>th</sup>, and Sunday, October 7<sup>th</sup>. Volunteer medical professionals are requested to serve whole days starting at 6:00 a.m. to 5:00 p.m. and Sunday 6:00 a.m. to noon.
