### Oral Health Talking Points

- a. Activities in rural Nevada, health professional shortage areas, and workforce development proposals. Can provide Medical Miles for Rural Smiles flyer on the Oral Health Program’s work with the Southern Nevada Health District.
- b. Oral health and children. School-based sealant programs in Nevada-the needs and opportunities, health assessment before school entrance policy, oral health outreach for WIC, MCH, and maternal individuals in rural areas, and oral health screening,
- c. Organized dentistry. Who is NDA, NDHA, what coalitions are active, what is the Advisory Committee on the State Program for Oral Health.
- d. Oral health education in Nevada. NSHE, CSN, TMCC, UNLV.

- e. Dental Medicaid benefits, limitations, and opportunities. Data on separation of dental benefits from the Medical Managed Care Organization contract. Hold dental benefits outside of the medical managed care organization contract(MCO). Also, highlight ER redirect pilot project for non-traumatic dental conditions with the Oral Health Program and Liberty Dental Plan (flyer available)
- f. The Adopt a Vet Program, clinical component at TMCC, and conversations surrounding replicating the program at CSN.
- g. Allies that are in the community that would speak to the importance of oral health ie. food bank, nutritional organizations, endocrinology organizations, chronic disease prevention programs, maternal child health committees, etc.
- h. Other topic ideas welcomed.
