

Dear Dental and General Volunteers,

TeamSmile is partnering with the Las Vegas Golden Knights, Dee for Dentist, Pact One, Future Smiles and Henry Schein to create a one day dental clinic on Thursday, February 21, 2019

Lead Dentist for this program is Dr. Dee from DeeforDentist.

Who is TeamSmile? We are the nation's premier advocacy group that partners oral health professionals with professional athletic organizations to provide life-changing dental care to underserved children in our communities. By partnering with professional sports organizations, we create an experience that develops bonds between children's organizations, oral health professionals, surrounding communities, and the athletes that solidify the message that oral health care is vitally important to short and long-term health.

What do we do? TeamSmile works with Future Smiles, in partnership with the Clark County School District, to secure 300 children in need of dental care from Area Schools. These children will receive the same level of care that can be found at a dental office. The program will include screening, treatment, preventative care, and education. TeamSmile brings \$650,000 worth of dental equipment and the materials are donated by Henry Schein to insure you have what you need to treat these children.

TeamSmile Needs You: TeamSmile is asking you to donate your valuable talent and time for our one-day dental program. It is because of generous people like you, TeamSmile can make a difference in these children's lives.

When and Where: Thursday, February 21, 2019 from 8am to 3pm with the Las Vegas Golden Knight at their practice arena, City National Arena.

How: You can register online - <https://teamsmile.wildapricot.org/event-3167643>

If you have any questions, please do not hesitate to email me at kellie@teamsmile.org.
