

Nevada Core Health Indicators

Version 1.0

Domain	Indicator Group	Indicator	Measures	Source	Year (or Group of Years)	Minimum level	
Population	Demographic Characteristics	Overall population	Estimated population	NV Demographer	Most current year	County	
		Population change	Net change & % change	NV Demographer; Census Bureau	min 10 year comparison	County	
		Population density	Population per square mile	NV Demographer	Most current year	County	
		Population by sex and age	Population by sex (M/F), then by age, separated into age categories	NV Demographer	Most current year	County	
		Race	Race, separated into categories	NV Demographer	Most current year	County	
		Ethnicity	Hispanic/Non-Hispanic	NV Demographer	Most current year	County	
Socioeconomic, Quality of Life and Environmental Factors	Income, Employment and Poverty	Household income	Estimated median household income	Census Bureau	Most current year	County	
		Family income	Estimated median family income	Census Bureau	Most current year	County	
		Unemployment	# and % of population 16+ unemployed but seeking work	County Health Rankings (BLS)	Most current year	County	
		Children in poverty	# and % of children 18 and under in poverty	Census Bureau	Most current year	County	
		Population in poverty	# and % of population in poverty	Census Bureau	Most current year	County	
	Economic Security	Bankruptcy	# personal bankruptcy filings per 1000 population	Federal Deposit Insurance Corporation	Most current year	County	
		Food insecurity	Food insecurity rate and # of food insecure individuals	Feeding America.org	Most current year	County	
		Free and reduced school lunches	# and % of students qualifying for free/reduced school lunch	Department of Education	Most current year	County	
	Education	High school graduation rate	% of cohort graduating high school in four years	Nevada Report Card	Most current year	County	
		Educational attainment	Educational attainment of % of persons aged 25 and older	Census Bureau	Most current year	County	
	Family and Social Support	Children in single-parent homes	% of children that live in a single-parent household	County Health Rankings (ACS)	Most current year	County	
		Social & emotional support	% of adults that don't get social and emotional support	County Health Rankings (BRFSS)	Most current year	County	
		Registered voters who vote	Active voters by county and party	NV Secretary of State	Most current year	County	
	Safety and Security	Reported violent crimes	# & rate per 100,000 - violent crimes by type	Federal Bureau of Investigations	Most current year	County	
		Reported property crimes	# & rate per 100,000 - property crimes by type	Federal Bureau of Investigations	Most current year	County	
	Environmental Safety	Food safety inspections	# of inspections per jurisdiction	Individual NV health departments	Most current full year	County	
		Critical food safety violations	# of critical violations per permitted facilities	Individual NV health departments	Most current full year	County	
		Radon	# of homes that exceed EPA action level compared to # of valid tests completed	UNR Cooperative Extension	Most current full year	ZIP/County	
		Public drinking water safety	% of water systems in compliance with drinking water standards	NV Dept. of Environmental Protection	Most current full year	County	
	Built Environment and Access	Fast food restaurants	% of all restaurants that are fast-food establishments	County Health Rankings(CBP)	Most current year	County	
		Access to recreational facilities	Rate of recreational facilities per 100,000 population	County Health Rankings(CBP)	Most current year	County	
		Commute time	Mean travel time to work of workers ≥ 16 years (not working at home)	American Community Survey	Most current year	County	
	Health Resources Availability	Health Care Professionals	Dental health providers	# & number per 100,000 - dentists & dental hygienists	NV Rural & Frontier Health Data Book	Most current edition	County
			Primary care providers	# & number per 100,000 - primary care physicians (MDs & DOs), PAs & APNs	NV Rural & Frontier Health Data Book	Most current edition	County
Mental health professionals			# & number per 100,000 - psychiatrists, psychologists, social workers & 'behavioralists'	NV Rural & Frontier Health Data Book	Most current edition	County	
Nursing professionals			# & number per 100,000 - RNs, LPNs, CRNAs, RN-EMS, & CNAs	NV Rural & Frontier Health Data Book	Most current edition	County	
Access and Coverage		Licensed hospital beds	# & per capita distribution of acute & long-term care beds	NV Rural & Frontier Health Data Book	Most current edition	County	
		Health Professional Shortage Area (HPSAs)	% of population residing in a HPSA for Primary Care, Dental Health, & Mental Health	NV Rural & Frontier Health Data Book	Most current edition	County	
Public Health Departments*		Persons without health insurance	% of population under age 65 without health insurance	County Health Rankings (SAHIE)	Most current year	County	
		Health department employment	# of full-time equivalent (FTE) positions	Individual NV health departments	Most current full year	Jurisdiction	
Health Behaviors	Substance Use and Abuse	Health department operating budget	\$ per total population; \$ by funding source	Individual NV health departments	Most current full year	Jurisdiction	
		Tobacco use - adults	% of adults who are current smokers	BRFSS (NV DPBH)	Most current year	County	
		Tobacco use - adolescents	% of students who are current cigarette users	YRBS (NV DPBH)	Most current year	Regional	
		Drug use - adults	% of adults who have used pain killers to get high	BRFSS (NV DPBH)	Most current year	County	
		Drug use - adolescents	% of students who have take a prescription drug without a doctor's prescription	YRBS (NV DPBH)	Most current year	Regional	
		Binge drinking - adults	% of adults who are heavy drinkers (men & women); binge drinkers (men & women)	BRFSS (NV DPBH)	Most current year	County	
		Binge drinking - adolescents	% of students who had five or more drinks in a row	YRBS (NV DPBH)	Most current year	Regional	
		Alcohol-related motor vehicle incidents	# of alcohol related crashes; # of alcohol related fatalities	Public Safety, NDOT	Most current year	County ^A	
	Drug-related mortality rate	# of drug-related deaths	NV DPBH	Most current full year	County		
	Lifestyle	Nutrition - adults	Median daily intake of fruits; median daily intake of vegetables	BRFSS (NV DPBH)	Most current year	County	
		Nutrition - adolescents	Median daily intake of fruits; median daily intake of vegetables	YRBS (NV DPBH)	Most current year	Regional	
		Obesity - adults	% of adults who were obese; % of adults who were overweight	BRFSS (NV DPBH)	Most current year	County	
		Obesity - adolescents	% of students who were obese; % of students who were overweight	YRBS (NV DPBH)	Most current year	Regional	
		Exercise - adults	% of adults who participated in any physical activities in the past month	BRFSS (NV DPBH)	Most current year	County	
		Exercise - adolescents	% of students who were active for at least 60 minutes every day for a week	YRBS (NV DPBH)	Most current year	Regional	
		Sedentary lifestyle - adolescents	% of students who used the computer 3+ hours per school day; % of students who watched TV 3+ hours	YRBS (NV DPBH)	Most current year	Regional	
		Sleep - adults	% of adults who got sufficient sleep	BRFSS (NV DPBH)	Most current year	County	
		Sleep - adolescents	% of students who got sufficient sleep	YRBS (NV DPBH)	Most current year	Regional

Nevada Core Health Indicators

Version 1.0

Domain	Indicator Group	Indicator	Measures	Source	Year (or Group of Years)	Minimum level
Protective Factors	Protective Factors	Seatbelt use - adults	% of adults who wore a seat belt when riding in or driving a car	BRFSS (NV DPBH)	Most current year	County
		Seatbelt use - adolescents	% of students who wore a seatbelt when riding in a car	YRBS (NV DPBH)	Most current year	Regional
		Bicycle helmet use- adolescents	% of students who wore a helmet when riding a bicycle	YRBS (NV DPBH)	Most current year	Regional
		Condom use - adolescents	% of students who used a condom the last time they had sex	YRBS (NV DPBH)	Most current year	Regional
	Screening	Pap smear	% of women 18+ reported having within last 3 years	BRFSS (NV DPBH)	Most current year	County
		Mammography	% of women 40+ reported having within last 2 years;	BRFSS (NV DPBH)	Most current year	County
Colorectal screening		% of adults 50+ reported ever having sigmoidoscopy/colonoscopy	BRFSS (NV DPBH)	Most current year	County	
Maternal and Child Health	Pregnancy	Pregnancy rate	Sum of live births, fetal deaths, abortions per 1000 women aged 15-44	Vital Records (NV DPBH)	Most current full year	County
		Birth rate	# of live births per 1000 women aged 15-44	Vital Records (NV DPBH)	Most current full year	County
		Low birth weight	% of total live births less than 2,500 grams	Vital Records (NV DPBH)	Most current full year	County
		Abortion rate	# of abortions per 1000 women aged 15-44	Vital Records (NV DPBH)	Most current full year	County
		Women receiving prenatal care	% of women who received prenatal care in 1st trimester	Vital Records (NV DPBH)	Most current full year	County
	Infant and Child Mortality	Neonatal mortality	Total infant deaths before first 28 days of life per 1000 live births	Vital Records (NV DPBH)	Most current full year	County
		Post neonatal mortality	Total infant deaths between 28 days and 11 months per 1000 live births	Vital Records (NV DPBH)	Most current full year	County
		Infant mortality	Total infant deaths under 1 year of age per 1000 live births	Vital Records (NV DPBH)	Most current full year	County
		Child mortality	Rate of all deaths ages 1-14 per 1000	Vital Records (NV DPBH)	Most current full year	County
	Teen Pregnancy	Maternal Mortality Rate	Sum of deaths attributable to pregnancy, childbirth, or the post-partum period per 100,000 live	Vital Records (NV DPBH)	Most current full year	County
		Teen pregnancy rate	Sum of live births, fetal deaths, abortions per 1000 women aged 15-17	Vital Records (NV DPBH)	Most current full year	County
		Teen birth rate	# of live births per 1000 women aged 15-17	Vital Records (NV DPBH)	Most current full year	County
Health Status	General Health Status	Health status	% reporting excellent/very good/good/fair/poor health status	BRFSS (NV DPBH)	Most current full year	County
		Sick days	Average number of sick days within past month	BRFSS (NV DPBH)	Most current full year	County
	Mental Health	Poor mental health - adults	% of adults who reported frequent mental distress	BRFSS (NV DPBH)	Most current year	County
		Poor mental health - adolescents	% of students who felt sad or hopeless for two weeks or more in a row	YRBS (NV DPBH)	Most current year	Regional
		Suicides	Overall rate; Rate for ages 10-24; Rate for ages 65+	American Association of Suicidology	Most current year	County^
	Mortality	Top 10 causes per county	(DPBH will pull top causes from data available)	NV DPBH	Most current full year	County
		Child immunizations	% of children (19-35 months) receiving HP2020 recommended vaccination series	Nevada Web IZ	Most current full year	County
	Vaccinations	Adults 65+ reporting immunized for flu	Adults aged 65+ who reported having had the flu shot in past year	BRFSS (NV DPBH)	Most current year	County
		Adults 65+ immunized for pneumonia	Adults aged 65+ who reported having ever having a pneumonia vaccination	BRFSS (NV DPBH)	Most current year	County
	Reportable Conditions	Disease Cases~	Syphilis	Case counts and rates	STD*MIS (NV DPBH)	For years with cases
Gonorrhea			Case counts and rates	STD*MIS (NV DPBH)	For years with cases	County^
Chlamydia			Case counts and rates	STD*MIS (NV DPBH)	For years with cases	County^
Tuberculosis			Case counts and rates	NBS (NV DPBH)	For years with cases	County^
HIV			Case counts and rates	eHARS (NV DPBH)	For years with cases	County^
Bacterial meningitis			Case counts and rates	NBS (NV DPBH)	For years with cases	County^
Vaccine Preventable Diseases~		Measles	Case counts and rates	NBS (NV DPBH)	For years with cases	County^
		Mumps	Case counts and rates	NBS (NV DPBH)	For years with cases	County^
		Rubella	Case counts and rates	NBS (NV DPBH)	For years with cases	County^
		Pertussis	Case counts and rates	NBS (NV DPBH)	For years with cases	County^
		Tetanus	Case counts and rates	NBS (NV DPBH)	For years with cases	County^
Cancers~		Early cervical cancer diagnosis	Rate (insitu) and % of total cancers	Cancer Registry (NV DPBH)	Most current full year	County^
		Late stage cervical cancer diagnosis	Rate (regional and distant) and % of total cancers	Cancer Registry (NV DPBH)	Most current full year	County^
		Early breast cancer diagnosis	Rate (insitu and localized) and % of total cancers	Cancer Registry (NV DPBH)	Most current full year	County^
		Late stage breast cancer diagnosis	Rate (regional and distant) and % of total cancers	Cancer Registry (NV DPBH)	Most current full year	County^
		Early prostate cancer diagnosis	Rate (Insitu and localized) and % of total cancers	Cancer Registry (NV DPBH)	Most current full year	County^
		Late stage prostate cancer diagnosis	Rate (regional and distant) and % of total cancers	Cancer Registry (NV DPBH)	Most current full year	County^
		Early colorectal cancer diagnosis	Rate (insitu and localized) and % of total cancers	Cancer Registry (NV DPBH)	Most current full year	County^
		Late stage colorectal cancer diagnosis	Rate (regional and distant) and % of total cancers	Cancer Registry (NV DPBH)	Most current full year	County^

* Core indicator only if applicable for your jurisdiction

^ Subject to data availability. (Some counties have too few responses/incidents to report, in which case last five years of data can be aggregated)

~ If no events have occurred within jurisdiction, note "0" or "fewer than 5 cases"

Refer to Nevada Core Health Indicators "Resource Document" for more details on data measurement and source.
