### Cottage Foods Program: Registration Instructions

To begin the licensing process, go to <https://nvdpbh.athent.com/login.aspx> and then click on the Environmental Health tab (the middle tab). Select link under "Apply for a Common Business Application":

The screenshot shows the ALiS login page. On the left, there is a 'USER LOGIN' section with fields for 'Login Name' and 'Password', a 'Forgot Login/Password' link, and a 'Login' button. Below this is a 'NEW APPLICANTS APPLY HERE' section with three links: 'To apply for a Common Business Application: Click Here', 'To apply for a Temporary Food Establishment Permit: Click Here', and 'To Search for an Environmental Health Facility Licensee: Click Here'. A red arrow points from the text above to the first link in this section. On the right, there are three tabs: 'HCQC', 'Child Care', and 'Environmental Health'. The 'Environmental Health' tab is circled in yellow. Below the tabs is a 'Welcome to the online Permits and Renewals system for the Environmental Health Section:' message. It includes instructions for 'Return Users' and 'New Users', a list of 'Common Business Application' types (e.g., Food Establishment, Cottage Food Registration, etc.), and contact information for customer service. At the bottom right, there are logos for 'We accept: VISA, MasterCard, echeck, DISCOVER'.

### Initial Registration Page:
