FINGERPRINT CARD INSTRUCTIONS

Your background check should take place in the jurisdiction where you will be employed. If you change facilities, a valid child care work card issued by one jurisdiction may be valid in another jurisdiction without another background check (please consult with law enforcement where you will be employed or call the Bureau). Child Care Licensing requires a new background check every five years.

The Nevada Department of Public Safety has recently notified Child Care Licensing that incomplete fingerprint cards will be returned without processing. In addition, the cards **cannot** be processed if they have been altered in any manner, including "highlighting."

One fingerprint card and a \$36.25 money order made payable to **Nevada Department of Public Safety** must be submitted for each person. Most law enforcement agencies have an additional fee to roll the fingerprints; you will need to contact them directly for additional fee information. Please take completed Consent and Release form with you when having your fingerprints rolled/scanned so law enforcement can sign appropriately.

One fingerprint card will be sent to the FBI for processing, which takes 8-12 weeks. The other card will remain at the Nevada Criminal History Repository where a Nevada background check is completed. The results of the Nevada check are received in 2-4 weeks. In addition, Child Care Licensing completes a CANS (Child Abuse and Neglect system) check on each employee within 3 days of receipt of the Consent and Release form.

You are responsible for returning all 3 pages of the "Consent and Release Form for Fingerprinting and Criminal History Review" to Child Care Licensing. This form allows us to receive investigation results and provides us with the name of the facility for which the person is employed or where the person has applied.

A clearance memo will be sent to the facility upon completion of the background clearance process. **The clearance memo must be kept in the employee's file as verification of background clearance status.** Employees should not be left alone with children until the clearance memo has been received.

Please see the **SAMPLE** fingerprint card on the next page. **Do not fill in the SAMPLE. Enter information on your own fingerprint cards as indicated for items 1-22. Complete all requested fields or the cards will be returned to you for completion, causing further delay.** All fingerprint cards must be typed or printed in black ink. **The Nevada Department of Public Safety, Criminal History Repository, will not process fingerprint cards without the following information:**
