To: EMS Program: Nevada Department of Health and Human Services

From: Bonnie J. Holley RN MSN

Health Services Administrator

Nevada Southern Detention Center

Ref: Emergency Medical System (EMS) Advisory Committee Member

This is my letter of interest for a position on the EMS Advisory Committee. I am the Health Services Administrator for the Nevada Southern Detention Center in Pahrump which is a privately –owned entity under Core Civic.

With this population and type of facility, myself and the providers on-site handle medical emergencies daily. Since this is a different type of venue, and feel I would be a beneficial member of this committee.

Please feel free to contact me at any time on my cell 954-461-4306 or my office at 775-751-4554.

I look forward to hearing from you.
