Re: EMS Advisory Committee vacancy

To Whom it may concern,

I am writing in support of Battalion Chief James Morgan's interest in filling one of your committee member vacancies. Chief Morgan has a long and diverse EMS background and has proven himself to be a dedicated and knowledgeable paramedic. His EMS history spans from Tactical EMS, Flight, Combat, as well as private and fire-based EMS. He currently serves the Storey County Fire Protection District as the EMS chief and has made great changes in our program that have ultimately led to a current model that is setting us up for success.

Within my 25 years of service throughout the State of Nevada, very few individuals have shown the education, experience, and drive that Chief Morgan has shown to me. I would strongly support him in his quest to utilize his abilities for the benefit for the state. The Storey County Fire Protection District will work with Chief Morgan on any of his needs as they arise to better serve the state.

Thank you for your time and consideration and if you have any questions or comments, please feel free to contact me on my cell phone at (775) 399-1746.

Cordially,
