

Hello, I would like to submit my letter of interest for the Urban Firefighter EMS board vacancy.

I currently work for Carson City Fire Department as a Fire Captain Paramedic. I have been working in EMS since 2003 and currently serve on my department's EMS Committee. I have a passion for EMS and the continued advancement of its providers. I have experience working in high volume systems, and have responded to large scale natural disasters, as well as two combat deployments to Afghanistan. I served 10yrs as a combat flight paramedic and platoon sergeant. I also have been a certified tactical paramedic since 2004 and currently serve as a SWAT team leader and TEMS supervisor.

I would be honored to be selected as an EMS board member as I feel I could contribute to the collective in improving our states delivery of EMS services. I have attached my resume; I am available for additional questions as this is only my letter of interest. References can be made available at your request.

Thank you for your consideration.

V/r

Jon Pedrini
Fire Captain - Carson City Fire Department
TEMS Leader/SWAT - Carson City Sheriffs Office
775-887-2210 ext. 7743
