Bobbie,

I would like to be considered to serve on the Emergency Medical Services Advisory Board for the term of January 30, 2021 to January 29, 2023. I believe my experience as a leader of a licensed EMS agency would be beneficial in assisting the State Office of EMS in moving forward the interests of EMS in the Great State of Nevada. I believe that we are moving forward and would like to maintain the momentum that has been building over the past several years.

Sincerely,

Steve Towne, EMS Chief
