WORK EXPERIENCE

Nurse Practitioner

Envision Physician Service

500 N Rainbow Blvd, Suite 203, Las Vegas, NV 89107

Dr. Alberto Hazan (supervising physician) - (917) 612-6725

February 2022 - present

Responsible for assessment, diagnosis, and treatment of ill pediatric populations at Summerlin Hospital and Medical Center Pediatric Emergency Department. Working under the supervision of a physician, my duties require me to improve the flow of the emergency department, maintain patient safety, and provide quality care to pediatric populations, including many heme-oncology patients as this hospital is the valley's primary facility for treating these patients.

Centennial Pediatrics

6850 N Durango Dr #306, Las Vegas, NV 89149

Dr. Michael Tenby (supervising physician) - (702) 300-1284

July 2018 - February 2022

Responsible for assessment, diagnosis, and treatment of ill pediatric populations in addition to assessment, referral, education, and following recommended vaccination schedules for well pediatric populations. I began working for the clinic through a locum tenens group which developed into a permanent position working in collaboration with the supervising physician, the Chief of Pediatrics at Centennial Hills Hospital, Dr. Michael Tenby.

Southern Nevada Pediatric Center

2050 Mariner Dr, Las Vegas, NV 89128

Dr. Rhonda Zulich (supervising physician) - (818) 231-7523

February 2019 - November 2019

Responsible for assessment, diagnosis, and treatment of ill pediatric populations in addition to assessment, referral, education, and following recommended vaccination schedules for well pediatric populations. Following the retirement of my former supervisor and the purchase of The Pediatric Center, I practiced alongside the new owner and supervising physician, Dr. Rhonda Zulich, with a collaborative agreement. I left this position shortly after being offered a permanent position at Centennial Pediatrics.

The Pediatric Center

2050 Mariner Dr, Las Vegas, NV 89128

Dr. Shazia Kirmani (supervising physician) - (702) 290-4719

August 2017 - February 2019

Responsible for assessment, diagnosis, and treatment of ill pediatric populations in addition to assessment, referral, education, and following recommended vaccination schedules for well pediatric populations. I practiced in collaboration with the supervising physician, Dr. Shazia Kirmani, during office hours in addition to maintaining the after-hours line of the practice. The position ended with the retirement of my supervising physician and purchase of the practice by Southern Nevada Pediatric Center.
