20th Annual Paramedic Refresher December 2, 3, 4 2015

Event History

Each year the North Lake Tahoe Fire Protection District sponsors a Paramedic level refresher. The program provides 27 hours of CME's annually, of the 48 hours of CME's required for Bi-annual recertification, for NREMT and DOT recommendations. Completing two full consecutive year(s) programs constitutes completion of a State of Nevada approved Paramedic level refresher. This year's program includes 27 CME's following a lecture format. The course is approved for State of Nevada EMS or RN, and State of California SSV EMS. The education is once again being coordinated by John Mohler, RN. Visit him at www.johnmohler.com.

Come stay with us at the Hyatt.
