

## Paramedic Refresher Course

### 48-Hour, State Approved Refresher Course

New in 2015! REMSA will be offering a Paramedic Refresher Course that meets the current requirements for recertification in the State of Nevada as well as National Registry. Paramedics that complete this course will meet all of the requirements for the 48 hour refresher course. The additional 24 hours required for National Registry recertification can be completed by attending ACLS, PALS, ITLS and other continuing education courses.

The course will be structured to offer lectures in the morning followed by an afternoon of hands on scenarios and skills practice that will ensure you are able to practice and get engaged in learning. Local topic experts will be providing current and relevant lectures each morning.

This will be the first year REMSA has offered a Paramedic refresher course. Register early!

#### Class meets every Monday

November 2, 2015	0900-1700
November 9, 2015	0900-1700
November 16, 2015	0900-1700
November 23, 2015	0900-1700
November 30, 2015	0900-1700
December 7, 2015	0900-1700

This is not a continuing education class. This is a refresher course. Participants must attend all days to receive a course completion certification. No individual CE hours will be issued for partial attendance.
