Nevada Division of Public and Behavioral Health Invites Public Input on Proposed Changes to Medical Marijuana Regulations

Date: October 14, 2015 Time: 9:00 a.m.

The Nevada Division of Public and Behavioral Health seeks written comment regarding proposed changes to Medical Marijuana Regulations. The draft of the proposed changes can be found online at http://dpbh.nv.gov/Reg/MME/MME_-_Home/ or http://dpbh.nv.gov/Reg/MM-Patient-Cardholder-Registry/MM_Patient_Cardholder_Registry_-_Home/.

The proposed regulatory changes reflect clerical corrections and revisions made during the 2015 Legislative Session by the passage of Assembly Bill 70 and Senate Bills 276 and 447. The bills cover a variety of topics including, but not limited to, providing for change of ownership and relocation of Medical Marijuana Establishments, the issuance of patient registry letters, adjustments to the statutory language concerning testing and transportation and adding independent contractors as agents under certain circumstances.

Written comments from the public must be submitted by email or in hard copy format and received by 5:00 p.m. on October 28, 2015.
