Division of Public and Behavioral Health Radiation Control Program

Stakeholders Meeting Invitation

The Division of Public and Behavioral Health, Radiation Control Program (RCP) has created a Stakeholders' informational meeting to address topics of concern to licensees and registrants. Some meetings/topics concern all of the licensees and registrants, while some are more specific to a particular industry or modality. The goal of these meetings is to have industry input through open communication with the regulated community. The topic for this meeting will be a review of dosimetry regulations and the applicable annual and lifetime requirements of licensees and registrants.

The next meeting is scheduled for Wednesday June 22nd in Las Vegas at Division of Public and Behavioral Health, Division of Health Care Financing and Policy, 1210 S. Valley View, Suite 104, Las Vegas, Nevada 89102 and in Carson City at Division of Public and Behavioral Health, 4150 Technology Way, Suite 204, Carson City, Nevada 89706.

The meeting will begin at 1 pm. During this meeting the Radiation Control program will give guidance, explain the regulatory requirements, address issues and suggest possible changes for future regulation. This meeting is for the regulated community and we welcome your attendance and input.
