- (b) Attempted or threatened to commit suicide or committed acts in furtherance of a threat to commit suicide and if there exists a reasonable probability that (s)he will commit suicide unless (s)he is admitted to a mental health facility pursuant to the provisions of NRS 433A.120 to 433A.330 inclusive, and adequate treatment is provided;
- (c) Mutilated self, attempted or threatened to mutilate self or committed acts in furtherance of a threat to mutilate self and, if there exists a reasonable probability that (s)he will mutilate self unless (s)he is admitted to a mental health facility pursuant to the provisions of NRS 433A.120 to 433A.330, inclusive, and adequate treatment is provided; or
- (d) Inflicted or attempted to inflict serious bodily harm on any other person, or made threats to inflict harm and committed acts in furtherance of those threats, and if there exists a reasonable probability that (s)he will do so again unless (s)he is admitted to a mental health facility pursuant to the provisions of NRS 433A.120 to 433A.330, inclusive and adequate treatment is provided.
