

University of Nevada, Reno

Update Report – January 31, 2020

CASAT entered a work order with the Division of Public and Behavioral Health, Problem Gambling Bureau of Behavioral Health and Wellness and Prevention to meet the following objectives by June 30, 2020.

1. Development of Problem Gambling Workforce Development Roadmap.
2. Develop and operate 30-hour online problem gambling readiness training
3. Begin developing the infrastructure to create and house a liaison service that will assist individuals in gaining CPCG-I and CPCG in Nevada.

CASAT plans to meet the deliverable by engaging community members, stakeholders, and the State of Nevada Board of Examiners for Licensed alcohol, drug and gambling counselors.
