The Substance Abuse Prevention Treatment Agency [SAPTA] / Bureau of Behavioral Wellness and Prevention [BBHWP]

Statewide Epidemiological Organizational Workgroup [SEOW]
- Required for PFS Funding 2018 – 2023
- Provide ongoing advice to SAPTA
- Review and analyze data to determine substance abuse and the need for prevention services (population plus need investments)
  - Increase the number of data driven outcomes for prevention services.
  - Periodically review data sets, identify gaps, and provide recommendations

FOA requirements state: The SEOW will identify their selected sub-recipient opportunities, document their identified needs and prevention priorities, and identify why these communities were selected over other high-need communities in their state/tribe.

PFS – SABG Diverse Active Work Group

The Substance Abuse Prevention Treatment Agency [SAPTA] / Bureau of Behavioral Wellness and Prevention [BBHWP]

PFS SEOW Compliance Review Team

Independent Committee

Multidisciplinary Prevention Advisory Committee [MPAC]
- NOT required for PFS Funding for 2018 – 2023 funding period
- Provide ongoing advice and guidance to SAPTA and is encouraged to create subcommittees.
  - Create a comprehensive prevention strategy
  - Maximize all prevention ATOD resources
  - Remove state barriers to enhancing the delivery of effective local substance abuse prevention services that are culturally relevant and target populations of need.
  - Develop shared responsibility with state and local governmental units.
  - Promote the prevention and treatment of alcohol and other drug abuse.
- Shall make policy recommendations as related to grant or SAPTA requirements

EBPPP Grant Criteria
The purpose of this group is to foster the use of EBPPP’s across all SAPTA funding streams; as well as compile valuable datasets to report back to the SEOW and PFS Compliance on the effectiveness of programs; and help inform funding decisions for PFS.
