Dates: January 18-19, 2023 | Location: In-Person at The Orleans Hotel and Casino, Las Vegas

## SUMMIT PURPOSE

To bring together a select group of organizations and individuals to identify ways to strengthen behavioral health interventions and systems, and divert people with behavioral health challenges away from the justice system.

## Summit Objectives

Participants will:

- Gain a better understanding of the current state of, and future vision for, behavioral health in Nevada
- Learn about the Sequential Intercept Model (SIM) and how the framework can be applied to strengthen behavioral health interventions in communities across the State
- Participate in sessions focused on best practices that support community response and success stories from other communities in implementing these practices
- Collaboratively identify, discuss, and document potential community-based strategies to reduce justice system involvement of people with behavioral health challenges
- Network and build relationships across diverse systems and agencies, both regionally and statewide

## Who Should Attend?
