## **NEVADA DIVISION OF PUBLIC AND BEHAVIORAL HEALTH**

### **NEVADA CRISIS STANDARDS OF CARE**

In the event of a catastrophic public health emergency, approved applicants of the Emergency Providers Organization of Nevada (EPON) may be called upon to serve all Nevadans by way of State Disaster Medical Advisory Consulting (SDMAC) to assist in the development of Crisis Standards of Care (CSC) recommendations. CSC recommendations will then be processed through the Nevada Division of Emergency Management to be approved by the Governor.

After your application has been vetted and approved by the Nevada Division of Public and Behavioral Health, you may be asked to also register with the state volunteer registry, <https://servnv.org/>, in order to offer an additional layer of liability protection for your service to the State of Nevada during a catastrophic public health emergency.

**Please fill out the application and return to Danika Williams, Health Program Manager via email at: [dmwilliams@health.nv.gov](mailto:dmwilliams@health.nv.gov); fax: 775-684-5951; or mail to: Nevada Division of Public and Behavioral Health, Public Health Preparedness Program, Attn: Danika Williams, Health Program Manager, 4150 Technology Way, Suite 200, Carson City, NV 89706.**
