Source: Nevada Division of Public and Behavioral Health NEDSS Based System (NBS), (March 2018). Discrepancies from prior publications reflect the incorporation of updated NBS data.

*Rates per 100,000 population were calculated using population projections from the Nevada State Demographer vintage 2017 data. In cases where NA is denoted no denominator is available.

**All Other Counties" includes the counties of Churchill, Douglas, Elko, Esmeralda, Eureka, Humboldt, Lander, Lincoln, Lyon, Mineral, Nye, Pershing, Storey, and White Pine.

~The table above contains counts under 12, please use caution when interpreting data and associated rates as the Relative Standard Error (RSE) is greater than 30% and are considered unreliable.
