Nevada law states that all shots administered in Nevada must be recorded in Nevada WebIZ.

This requirement extends to patients of ALL ages.

Per Nevada Revised Statute (NRS) 439.265 and the regulations adopted to support this law, all shots given in Nevada must be recorded in Nevada WebIZ, our statewide immunization registry.

The steps necessary to successfully comply with this law are listed below:

1) DISCLOSURE
   Print the Disclosure Statement Poster and post it prominently in your lobby, waiting room or registration area. This Poster will serve as notification to vaccination patients that their information will be entered into the registry.

2) ENTERING THE PATIENT DATA
   Patients DO NOT need to give consent for their (or their child’s) information to be entered into the registry. Please make sure the patient (or parent/guardian) understands what the registry is and offer to answer any questions they may have. You may always refer them to the Nevada WebIZ Help Desk for further information.
   - THE PATIENT DOES NOT NEED TO SIGN A FORM IF THEY DO NOT OBJECT to having their (or their child’s) data entered into the registry. You may now enter their data.
   - If the patient objects to having their data entered into the registry, DO NOT enter their data and move on to step 3.

3) PARTICIPATION FORM
   The Participation Form serves two functions:
   - Patients may sign this form if they do not want to have their (or their child’s) information entered into the registry.
   - Patients who previously did not want to participate and now do may sign this form to have their information entered into the registry.

   ONLY provide the Form to patients who do not want to participate and to those that previously did not want to participate and now do.

4) SUBMITTING SIGNED FORMS TO THE WEBIZ HELP DESK
   If any of your patients sign a Participation Form for EITHER of the reasons listed above, you must submit a copy of the form to the Nevada WebIZ Help Desk.
   - At the end of each month, please mail or fax photocopies of any forms received during that month to the Help Desk (address and fax # listed below).
1) DISCLOSURE
- Post the Disclosure Poster Prominently in lobby

2) PATIENT DATA
- Patient does not object? STOP! Go to Step 3
- Patient DOES object? Go to Step 4

3) ENTER THE DATA
- Enter the vaccination patient's data into Nevada WebIZ

4) PARTICIPATION FORM

  - DO NOT want to participate (STOP! Do not enter data and go to step 5)
- OR
