This individual provides oversight of the grant program and primary communication regarding Federal program requirements. Therefore, having this individual meet with the committee assures membership is up to date on Federal EMSC initiatives and national updates. He or she will provide the advisory committee with much of the leadership and support needed to achieve all of the performance measures.		
Michael Bologlu (Appointed 7/16/2020)	EMSC Program Manager	This person manages the program initiatives and financial aspects of the grant. They are often described as the program’s driving force, holding State/Territory programs together. The EMSC manager assumes responsibility for achieving performance measure outcomes as outlined in the approved grant initiatives.		
Jeremy Sonenschein (Appointed 4/16/2020)	Family Representative	A family representative is a parent and community leader who promotes family and children needs and assures that they are considered in all aspects of the emergency healthcare system. This individual participates in advisory committee meetings and reviews state EMS rules, regulations, and medical protocols related to patient and family-centered care. The family representative also can help identify other potential community partners and participate in public education campaigns and other community outreach activities. This member can be a major EMSC supporter to help change State/Territory statutes/rules/regulations to help achieve many of the performance measures.	7/16/2020 4/16/2020 1/16/2020 10/17/2019
