

VERIFICATION OF CURRENT PROTOCOLS

Pursuant to NAC 450B.505 (2):

2. The medical director of a service or fire-fighting agency shall:

(a) Establish medical standards which:

(1) Are consistent with the national standard which is prepared by the National Highway Traffic Safety Administration of the United States Department of Transportation as a national standard for the level of service for which a permit is issued to the service or an equivalent standard approved by the Administrator of the Division and which are approved by the board;

(2) Are equal to or more restrictive than the national standard prepared by the National Highway Traffic Safety Administration of the United States Department of Transportation or an equivalent standard approved by the Administrator of the Division and adopted by the state emergency medical system; and

(3) Must be reviewed and maintained on file by the Division or a physician active in providing emergency care who is designated by the Division to review and make recommendations to the Division.

(b) Direct the emergency care provided by any certified person who is actively employed by the service.
