3. Require a person who has submitted an incomplete application to submit missing information within 90 days after being notified of needing to provide such information.
4. Remove the prohibition to issue a provisional certificate due to not receiving a written recommendation of the Committee on Domestic Violence.
5. Remove the requirement that the form used to conduct a random sample of at least 10 percent of records of offenders receiving treatment and the group counseling session observations be on a form approved by DPBH.
6. Add an alcohol and drug counselor or clinical alcohol and drug counselor pursuant to Chapter 641C of NRS and an advanced practice registered nurse who practices psychiatry as one of the licensee types that would qualify as a supervisor of treatment.

8. Define the term “field of clinical human services” for the purposes of being employed, or retained as an independent contractor, in the position of a supervisor of treatment.
9. Remove the requirement that certain documents be included with the renewal application.
10. Repeal NAC 228.101 – Application: Provision to Committee, meeting of Committee to consider; transmittal of Committee’s recommendation to DPBH.
