

Compliance Agreement  
Division of Public and Behavioral Health and Alcala Labs

This Compliance Agreement is made and entered into effective on August 12, 2020, by, between, and among the Bureau of Health Care Quality and Compliance of the Division of Public and Behavioral Health of the Nevada Department of Health and Human Services of the State of Nevada (“BHCQC”), Alcala Labs, and the State Board of Health (“Board”).

RECITALS

The goal is to define the criteria for compliance for Alcala Labs (Licensed Laboratory #11056) located at 6125 Sahara Ave. Ste. 2C, Las Vegas, NV 89146 and the State Board of Health (“Board”).

A. NAC 652.195 allows a licensed laboratory to collect specimens or perform tests, or both, at a location other than the location set forth in its license by obtaining a permit to operate a laboratory at a temporary location.

B. Due to the COVID-19 outbreak and the need to serve the public in the State of Nevada in the collection of specimens for the purpose of COVID-19 laboratory testing by a CLIA certified laboratory, Alcala Labs, a Licensed laboratory, will be allowed to operate collection sites other than the location set forth in its license, with one temporary location permit for multiple sites. The location of the additional sites for collection will be submitted to the BHCQC prior to the initiation of specimen collection at the additional sites. At the date of this Compliance Agreement, the specimen collection will be performed at the locations identified below. Alcala Labs will be allowed to add collection sites beyond what is listed in this document as long as the provision of Section C, number 3 is followed.

5781 W Sahara Ave, #500  
Las Vegas NV 89146

NOW, THEREFORE, it is hereby agreed as follows:

C. State Licensure. The Laboratory falls under the provisions of Nevada Administrative Code (652).

- 1) The Chief Medical Officer shall postpone enforcement of NAC 652.195 which requires a licensed laboratory to collect specimens at a location other than the location set forth in its license by obtaining a permit to operate a laboratory at a temporary location for each temporary location which expires 90 days after the effective date of the permit.
- 2) The laboratory will be allowed to perform specimen collection for COVID-19 testing at multiple temporary locations, as documented in Section B, including additional locations added pursuant to number 3, with only one temporary location application. The temporary location permit will not expire in 90 days, but will remain in effect for the term of the agreement as outlined in Section C.
- 3) The laboratory will be allowed to collect specimens for additional temporary locations not listed in Section B by notifying BHCQC in writing, which may be via electronic means, prior to the date in which the specimen collection occurs.

D. Term of Agreement This Agreement shall remain in effect until the Chief Medical Officer terminates this agreement

Requirements. Except as otherwise provided in this Agreement, the Laboratory will maintain in compliance with all applicable provisions of NAC Chapter 652.

IN WITNESS WHEREOF, the parties have executed this Agreement effective the day and year first above written.

Alcala Labs, a medical laboratory licensed by the Division of Public and Behavioral Health and the State Board of Health ("Board").
