Division of Public and Behavioral Health and Alcala Labs

This Compliance Agreement is made and entered into effective on January 6, 2021, by, between, and among the Bureau of Health Care Quality and Compliance of the Division of Public and Behavioral Health of the Nevada Department of Health and Human Services of the State of Nevada (“BHCQC”), Alcala Labs, and the State Board of Health (“Board”).

RECITALS

The goal is to define the criteria for compliance for Alcala Labs (Licensed Laboratory #11056) located at 8880 W. Sunset Rd. Ste. 130, Las Vegas, NV 89148, and the State Board of Health (“Board”).

A. NAC 652.195 allows a licensed laboratory to collect specimens or perform tests, or both, at a location other than the location set forth in its license by obtaining a permit to operate a laboratory at a temporary location.

B. Due to the COVID-19 outbreak and the need to serve the public in the State of Nevada in the collection of specimens for the purpose of COVID-19 laboratory testing by a CLIA certified laboratory, Alcala Labs, a Licensed laboratory, will be allowed to perform specimen collections and perform COVID laboratory testing at locations other than the location set forth in its license, with one temporary location permit for multiple sites. The location of the additional sites for collection and COVID testing will be submitted to the BHCQC prior to the initiation of specimen collection and COVID laboratory testing at the additional sites. Alcala Labs will be allowed to add collection and COVID testing sites beyond what is listed in this document as long as the provision of Section C, number 3 is followed.

NOW, THEREFORE, it is hereby agreed as follows:

C. State Licensure. The Laboratory falls under the provisions of Nevada Administrative Code (652).

- 1) The Chief Medical Officer shall postpone enforcement of NAC 652.195 which requires a licensed laboratory to collect specimens at a location other than the location set forth in its license by obtaining a permit to operate a laboratory at a temporary location for each temporary location which expires 90 days after the effective date of the permit.
- 2) The laboratory will be allowed to perform specimen collection and COVID laboratory testing at multiple temporary locations, as documented in Section B, including additional locations added pursuant to number 3, with only one temporary location application. The temporary location permit will not expire in 90 days, but will remain in effect for the term of the agreement as outlined in Section C.
- 3) The laboratory will be allowed to collect specimens and perform COVID testing for additional temporary locations not listed in Section B by notifying BHCQC in writing, which may be via electronic means, prior to the date in which the specimen collection occurs.

D. Term of Agreement. This Agreement shall remain in effect until the Chief Medical Officer terminates this agreement

Requirements. Except as otherwise provided in this Agreement, the Laboratory will maintain in compliance with all applicable provisions of NAC Chapter 652.

IN WITNESS WHEREOF, the parties have executed this Agreement effective the day and year first above written.

This Compliance Agreement is made and entered into effective on January 5, 2021, by, between, and among the Bureau of Health Care Quality and Compliance of the Division of Public and Behavioral Health of the Nevada Department of Health and Human Services of the State of Nevada (“BHCQC”), the Boulder City Fire Department, and the State Board of Health (“Board”).

RECITALS

The goal is to define the criteria for compliance for Boulder City Fire Department (Exempt Laboratory #11245) located at 1101 Elm St. Boulder City, NV 89005, and the State Board of Health (“Board”).

A. NAC 652.195 allows a licensed laboratory to collect specimens or perform tests, or both, at a location other than the location set forth in its license by obtaining a permit to operate a laboratory at a temporary location.

B. Due to the COVID-19 outbreak and the need to serve the public in the State of Nevada in the collection of specimens for the purpose of COVID-19 laboratory testing by a CLIA certified laboratory, the Boulder City Fire Department, an exempt laboratory, will be allowed to operate at locations other than the location set forth in its license without a permit and without being a licensed laboratory at the following locations:

Elaine K. Smith Center
700 Wyoming St.
Boulder City, NV 89005

Whalen Baseball Field Parking Lots
880 Avenue B
Boulder City, NV 89005

NOW, THEREFORE, it is hereby agreed as follows:

- C. State Licensure. The Laboratory falls under the provisions of Nevada Administrative Code (652).
- 1) The laboratory will be allowed to perform COVID-19 specimen collection and testing at the locations which are documented in B. without obtaining a permit and without being a licensed laboratory.
 - 2) The laboratory must remain in compliance with NRS 652.072; therefore, the patients served in the locations other than the locations set forth in its license would be patients of the laboratory director.

D. Term of Agreement. This Agreement shall remain in effect until the chief medical officer terminates this agreement

Requirements. Except as otherwise provided in this Agreement, the Laboratory will maintain compliance with all applicable provisions of NAC Chapter 652.

Compliance Agreement
Division of Public and Behavioral Health and the Carson City School District

This Compliance Agreement is made and entered into effective on December 22, 2020, by, between, and among the Bureau of Health Care Quality and Compliance of the Division of Public and Behavioral Health of the Nevada Department of Health and Human Services of the State of Nevada (“BHCQC”), Carson City School District and the State Board of Health (“Board”).

RECITALS

The goal is to define the criteria for compliance for the Carson City School District located at P.O. Box 603 Carson City, NV 89703, and the State Board of Health (“Board”).

Due to the COVID-19 outbreak and the need to expand testing, the Carson City School District will be allowed to have Registered Nurses that are licensed in the State of Nevada, to serve as a laboratory director for schools which are performing waived COVID laboratory testing.

NOW, THEREFORE, it is hereby agreed as follows:

State Licensure. The Laboratory falls under the provisions of Nevada Administrative Code (NAC) 652. The laboratories that will be conducting waived COVID laboratory tests in the public schools within the Carson City School District, will be allowed to have a Registered Nurse to qualify as a laboratory director of a State of Nevada Exempt laboratory.

Term of Agreement. This Agreement shall remain in effect until the Governor lifts the order allowing Registered Nurses to qualify as a State of Nevada Exempt laboratory director conducting waived COVID tests.

Requirements. The Registered Nurse that accepts the responsibility of being the laboratory director of a State of Nevada Exempt laboratory performing waived COVID testing, will be required to ensure that the laboratory meets the State regulatory requirements for Exempt laboratories stated in NAC 652.155.

IN WITNESS WHEREOF, the parties have executed this Agreement effective the day and year first above written.

Compliance Agreement
Division of Public and Behavioral Health and Humboldt School District

This Compliance Agreement is made and entered into effective on December 21, 2020, by, between, and among the Bureau of Health Care Quality and Compliance of the Division of Public and Behavioral Health of the Nevada Department of Health and Human Services of the State of Nevada ("BHCQC"), the Humboldt School District, and the State Board of Health ("Board").

RECITALS

The goal is to define the criteria for compliance for the Humboldt School District located at 310 East Fourth St., Winnemucca, NV 89445.

Due to the COVID-19 outbreak and the need to expand testing, BHCQC is waiving the \$500 initial laboratory license fee in accordance with NAC 652.488(1)(f) so that the fees will not act as a financial burden on the Nevada Public School system and the public schools in Nevada will have the availability to provide COVID-19 testing to the students and staff of the schools in this district.

NOW, THEREFORE, it is hereby agreed as follows:

BHCQC will waive the initial laboratory licensing fee for the Humboldt School District in accordance with NAC 652.488(1)(f). The subsequent State of Nevada laboratory license biennial renewal fees will be required to be paid according to the fees associated with this category of laboratory stipulated in NAC 652.488.

Term of Agreement. This Agreement shall remain in effect until the Governor lifts the emergency declaration.

Requirements. The COVID-19 collection and testing personnel are required to meet the requirements in accordance with NRS 652.210(1). Any person that is identified to collect or perform laboratory testing that does not meet the requirements in NRS 652.210(1), must be licensed by the State of Nevada as an Office Laboratory Assistant (OLA). All laboratory collection and testing personnel will be required to have documentation of training and competency before collecting or testing human specimens.

Compliance Agreement
Division of Public and Behavioral Health and Innovative Medical LLC

This Compliance Agreement is made and entered into effective on February 17, 2021, by, between, and among the Bureau of Health Care Quality and Compliance of the Division of Public and Behavioral Health of the Nevada Department of Health and Human Services of the State of Nevada (“BHCQC”), Innovative Medical LLC, and the State Board of Health (“Board”).

RECITALS

The goal is to define the criteria for compliance for Innovative Medical LLC (Exempt Laboratory #11229) located at 4130 E. Sunset Rd, Henderson, NV 89014, and the State Board of Health (“Board”).

A. NAC 652.195 allows a licensed laboratory to collect specimens or perform tests, or both, at a location other than the location set forth in its license by obtaining a permit to operate a laboratory at a temporary location.

B. Due to the COVID-19 outbreak and the need to serve the public in the State of Nevada in the collection and testing of specimens for the purpose of COVID-19 laboratory testing by a CLIA certified laboratory, Innovative Medical LLC, an exempt laboratory, will be allowed to operate at locations other than the location set forth in its license without a permit and without being a licensed laboratory at the following locations:

5835 S. Eastern Ave.
Las Vegas, NV 89119

540 Marks St.
Henderson, NV 89014

4427 E. Sunset Rd.
Henderson, NV 89014

NOW, THEREFORE, it is hereby agreed as follows:

- C. **State Licensure.** The Laboratory falls under the provisions of Nevada Administrative Code (652).
- 1) The laboratory will be allowed to perform COVID-19 specimen collection and testing at the locations which are documented in B. without obtaining a permit and without being a licensed laboratory.
 - 2) The laboratory must remain in compliance with NRS 652.072; therefore, the patients served in the locations other than the locations set forth in its license would be patients of the laboratory director.

D. **Term of Agreement.** This Agreement shall remain in effect until the chief medical officer terminates this agreement

Requirements. Except as otherwise provided in this Agreement, the Laboratory will maintain compliance with all applicable provisions of NAC Chapter 652.

IN WITNESS WHEREOF, the parties have executed this Agreement effective the day and year first above written.

Compliance Agreement
Division of Public and Behavioral Health and the Pershing School District

This Compliance Agreement is made and entered into effective on December 22, 2020, by, between, and among the Bureau of Health Care Quality and Compliance of the Division of Public and Behavioral Health of the Nevada Department of Health and Human Services of the State of Nevada ("BHCQC"), Pershing School District and the State Board of Health ("Board").

RECITALS

The goal is to define the criteria for compliance for the Pershing School District located at 1150 Elmhurst Ave., P.O. Box 389, Lovelock NV 89419, and the State Board of Health ("Board").

Due to the COVID-19 outbreak and the need to expand testing, the Pershing School District will be allowed to have Registered Nurses that are licensed in the State of Nevada, to serve as a laboratory director for schools which are performing waived COVID laboratory testing.

NOW, THEREFORE, it is hereby agreed as follows:

State Licensure. The Laboratory falls under the provisions of Nevada Administrative Code (NAC) 652. The laboratories that will be conducting waived COVID laboratory tests in the public schools within the Pershing School District, will be allowed to have a Registered Nurse to qualify as a laboratory director of a State of Nevada Exempt laboratory.

Term of Agreement. This Agreement shall remain in effect until the Governor lifts the order allowing Registered Nurses to qualify as a State of Nevada Exempt laboratory director conducting waived COVID tests.

Requirements. The Registered Nurse that accepts the responsibility of being the laboratory director of a State of Nevada Exempt laboratory performing waived COVID testing, will be required to ensure that the laboratory meets the State regulatory requirements for Exempt laboratories stated in NAC 652.155.

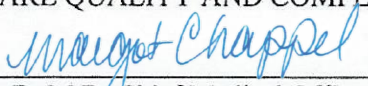

IN WITNESS WHEREOF, the parties have executed this Agreement effective the day and year first above written.

The Pershing School District and the State Board of Health ("Board").

Compliance Agreement
Division of Public and Behavioral Health and Pershing School District

This Compliance Agreement is made and entered into effective on December 21, 2020, by, between, and among the Bureau of Health Care Quality and Compliance of the Division of Public and Behavioral Health of the Nevada Department of Health and Human Services of the State of Nevada ("BHCQC"), the Pershing School District, and the State Board of Health ("Board").

RECITALS

The goal is to define the criteria for compliance for the Pershing School District located at 1150 Elmhurst Ave., P.O. Box 389, Lovelock, NV 89419.

Due to the COVID-19 outbreak and the need to expand testing, BHCQC is waiving the \$500 initial laboratory license fee in accordance with NAC 652.488(1)(f) so that the fees will not act as a financial burden on the Nevada Public School system and the public schools in Nevada will have the availability to provide COVID-19 testing to the students and staff of the schools in this district.

NOW, THEREFORE, it is hereby agreed as follows:

BHCQC will waive the initial laboratory licensing fee for the Pershing School District in accordance with NAC 652.488(1)(f). The subsequent State of Nevada laboratory license biennial renewal fees will be required to be paid according to the fees associated with this category of laboratory stipulated in NAC 652.488.

Term of Agreement. This Agreement shall remain in effect until the Governor lifts the emergency declaration.

Requirements. The COVID-19 collection and testing personnel are required to meet the requirements in accordance with NRS 652.210(1). Any person that is identified to collect or perform laboratory testing that does not meet the requirements in NRS 652.210(1), must be licensed by the State of Nevada as an Office Laboratory Assistant (OLA). All laboratory collection and testing personnel will be required to have documentation of training and competency before collecting or testing human specimens.

IN WITNESS WHEREOF, the parties have executed this Agreement effective the day and year first above written.

The Pershing School District and the State Board of Health ("Board").
