

MEMORANDUM

DATE: February 11, 2021

TO: Jon Pennell, Chairperson
State Board of Health
Lisa Sherych, Administrator

THROUGH:

FROM: Margot Chappel, Deputy Administrator
Karen Beckley, Bureau Chief
Bobbie Sullivan, EMS Program Manager

RE: NRS 450B.151(1), "The Committee on Emergency Medical Services, consisting of nine members appointed by the State Board of Health."

STAFF REVIEW

In accordance with Nevada Revised Statutes NRS 450B.151(1), it is the responsibility of the State Board of Health to appoint the nine members of the Committee on Emergency Medical Services (EMS).

Effective June 20, 2020, the term of one member of the Committee expired. On January 27, 2021, the Committee reviewed the applications of nominees and recommended to the Board of Health the following individual for the vacant position:

William Hooker, Humboldt General Hospital EMS/Rescue "One member who is an employee of or volunteer with a medical facility located in a rural area that provides emergency medical services."

Effective January 12, 2021, the term of one member of the Committee expired. On January 27, 2021, the Committee reviewed the applications of nominees and recommended to the Board of Health the following individual for the vacant position:

Dennis Nolan, Reno Fire Department "An employee of an urban fire-fighting agency."

Effective January 30, 2021, the term of two members of the Committee expired. On January 27, 2021, the Committee reviewed the applications of nominees and recommended to the Board of Health the following individual for the vacant position:

Bodie Golla, City of Ely Fire Department "One member who is an employee of a fire-fighting agency at which some of the firemen are employed and some serve as volunteers."

Steven Towne, Banner Churchill Community Hospital "One member who is an employee of a privately-owned entity that provides emergency medical services."

PUBLIC COMMENT RECEIVED

None

STAFF RECOMMENDATION

Staff recommends that the Board appoint the above listed individuals to the Committee.

PRESENTER

Karen Beckley, Bureau Chief

WORK HISTORY

HUMBOLT GENERAL HOSPITAL EMS/RESCUE

Deputy Chief | Winnemucca, NV | November 2020 – Current

For over 35 years, HGH EMS Rescue has been the exclusive provider of 24-hour emergency medical services across 10,000 square miles in Humboldt County, Nevada; parts of Pershing County and Lander County, Nevada; and the lower portion of the State of Oregon. HGH EMS Rescue provides advanced life support services to approximately 19,000 residents with a fleet of ambulances and rescue units.

- Initiated an Ambulance Committee
- Successfully created a restructured salary study
- Initiated an FTO program
- Restructured the Training Division

MOTLOW STATE COMMUNITY COLLEGE

EMS Director/Curriculum Chair/Assistant Professor | Lynchburg, TN | August 2013 – December 2020

Motlow State Community College is a public, multi-campus college in southern middle Tennessee offering certificates, associate degrees, and flexible learning pathways. For over 45 years, Motlow has proven to be a student-centered institution that promotes academic excellence as well as personal and professional growth.

- Achieved Accreditation by CAAHEP through CoAEMSP with minimal feedback and excellent reviews.
- Created Curriculum through Tennessee Board of Regents committee for Twenty-One Courses.
- Created new Degree plan for three Certificate paths and A.A.S program curriculum through Tennessee Board of Regents committee.
- Created and established several new college programs
- Maintained top pass rates throughout the state
- Maintained the top retention rates statewide
- Recognized by TBR chancellor as top performing program in the state.
- Coordinated over 15,000 hours of continuing education each year
- Flawless AEMT and EMT Audits
- Added 4 new instructional sites
- Developed new process for employee evaluation which resulted in marked performance improvements.
- Fostered student's commitment to lifelong learning by connecting course materials to broader themes and current events.
- Skillfully developed departmental goals, objectives, standards of performance, policies and procedures.
- Wrote course materials such as syllabi, homework assignments and handouts.
- Planned, evaluated and revised course content and course materials.
- Guided students in using technology to support educational research.
- Coached students on public speaking and presentation skills.
- Established staff schedules and assignments based on facility needs and equipment availability.

- Maintain good communication between department heads, staff and governing boards by attending board meetings and synchronizing interdepartmental functions.
- Initiated audit process to evaluate thoroughness of documentation and maintenance of facility standards.
- Developed and rolled out new policies.
- Increased enrollment by 1500% in six years through growth and commitment to the organization.
- Supervised a team of thirty instructors
- Supervised and Managed one hundred and twenty students per semester
- Acquisition of many important simulation equipment through grant and local resources.
- Collaboration with 20+ local County governments in Middle Tennessee
- Partnership with Tennessee Department of Transportation
- Partnership with City of Murfreesboro
- Partnership with the City of Lavergne
- Partnership with the City of Smyrna
- Partnership with Rutherford County
- Partnership with Rutherford County School System
- Partnership with local Hospital and Clinical Sites locations
- Partnership with several many County High School administrations.
- Partnerships with CTE programs throughout Middle Tennessee

WILLIAMSON MEDICAL CENTER

Instructor/Paramedic | Franklin, TN | August 2011 - February 2016, March 2020- Current

Williamson Medical Center EMS is a progressive fast paced service ranked among the best in the country. An American Heart Association's Mission: Lifeline® EMS Gold Level Recognition Award winner, WMC EMS implemented quality improvement measures and treatment for all patients. Williamson Medical Center provides exceptional care to the citizens in which they serve.

- Established yearly evaluation tool for entire organization
- Worked with approx. sixty volunteers to establish training program for veteran departments.
- Assumed ownership of all training program initiatives within my assigned area.
- Evaluated patient care needs, prioritized treatment, and maintained patient flow
- Strong leader for personnel assigned.
- Oversaw and managed clinical and support staff in patient care activities while maintaining a high level of staff morale and professionalism.
- Assessed patient condition through physical and verbal exams and by collecting information from others at the scene.
- Responded to dispatched emergency assignments quickly and safely.
- Promoted team effort when working with dispatch center, external public safety agencies and health care providers.
- Demonstrated high standards of performance, including teamwork, communication and compassion.
- Strictly protected the confidentiality of all information related to patient care activities and EMS operations.

BEDFORD COUNTY GOVERNMENT (EMS)

Administration Supervisor/Assistant Director | Shelbyville, TN | February 2005 - July 2011

Bedford County EMS is a dedicated organization committed to excellence in EMS. A department with progressive training and protocols, treats and transports the area patients. An organization founded on the support of the community and one that strives to provide the appropriate care to the community in which it serves.

- Created the annual budget and submitted it to the county commission for review and approval.

- Collaborated with members of the county staff, other public agencies and private organizations to achieve all related goals.
- Gathered and analyzed data for studies and reports and made recommendations based on findings.
- Served as a representative of the county EMS at county commission meetings.
- Responded to citizens' complaints and requests for information and services.
- Served as a county representative at neighborhood meetings, workshops and retreats.
- Cultivated close working relationships with other municipalities and governmental agencies.
- Served as the main point of contact for operations of entire organization.
- Skillfully developed departmental goals, objectives, standards of performance, policies and procedures.
- Organized the department in accordance with administrative guidelines in order to provide specified services to meet the legal, organizational and medical staff guidelines.
- Recruited, hired, trained and coached new employees each year.
- Led the planning and achievement of goals and objectives consistent with the agency mission and philosophy.
- Established and maintained systems that safely met residents' needs.
- Developed a system of staff communication that ensured proper implementation of treatment plans and comprehensive patient care.
- Educated staff on state and federal statutes, rules and regulations governing EMS services.
- Interpreted and communicated new or revised policies to staff.
- Represented and interpreted the agency's functions and services to other institutions, the public, government agencies and other organizations.
- Established and oversaw implementation of an effective budgeting and accounting system that improved efficiency and reduced costs.
- Oversaw PCR billing, payroll, AP, and AR and verified that proper procedures were followed.
- Strategically planned methods to achieve operational goals and targets.
- Developed and achieved financial and growth goals.
- Continually maintained and improved the company's reputation and positive image in the markets served.
- Established standards for selection, promotion and termination of staff.
- Investigated and reported issues relating to patient care or conditions that might hinder patient well-being.
- Conducted monthly patient case conferences, in-services and staff meetings to educate staff and facilitate good communication
- Certified that equipment and supplies were properly maintained for quality patient care and safety.
- Assigned employee areas, scheduled staff breaks and authorized overtime.
- Cooperated and communicated effectively with physicians to ensure client satisfaction and compliance with set standards.

Bobbie Sullivan
Department of Health and Human Services
Division of Public and Behavioral Health
Carson City Nevada

Director Sullivan,

I am expressing interest in the below advisory board positions for Emergency medical Services.

- Privately-owned entity for EMS Term January 30, 2021- January 29, 2023
- Rural medical Facility for EMS Term June 20, 2020

I have recently been appointed the Deputy Chief of EMS at Humboldt General Hospital EMS on December 1, 2020. I have been able to familiarize myself to the area and system in the previous months. I am excited to assist with the forward momentum that the state currently has and assist the state in either of these roles.

I recently held positions with the State of Tennessee on the following state and regional boards.

- Chairman of TN Emergency Medical Services Research Sub-Committee
- Chairman of TN Emergency Medical Services Task Force on Degrees
- Member of TN Emergency Medical Services Sub-Committee
- Member of TN Emergency Medical Services Committee of Degree
- Member of TN Emergency Medical Services Program Director Committee
- Member of TN Emergency Medical Services Education Committee
- Member of TN Emergency Medical Services Workgroup on IC Course
- Advisor for TN Emergency Medical Services "Meeting of the Minds"
- Member of TEMSEA Board of Directors
- Member of TN Emergency Medical Services SCEMSDA
- Member TN State Curriculum Committee
- Member South Central Health Care Coalition
- Member Rutherford County Healthcare Council

As you can see, I was very involved in the progression of EMS and assisted in many ways. I would like to bring that experience and dedication to EMS to this board. With the blessing of my Chief, I am requesting consideration to be appointed to one of the above positions. Please contact me if you have any questions. I am eager to assist the state of Nevada.

Professionally,

A handwritten signature in blue ink, appearing to read 'D. Hooker', written over a black rectangular redaction box.

Drew Hooker MPA, NRP, CCPM, PD, IC

Objective

To further my career in the public safety sector while becoming a valuable resource to the community in which I serve

Education

- Florida Community College, 1992, Fire Science Program
- Savannah Technical College, 1996, Hazardous Materials
- Okefenokee Technical College, 1997, Paramedic

Fire/EMS Qualifications

- 32 years of Public Safety Experience in Fire and EMS
- 16 years of Public Safety/Healthcare leadership experience with a record of progressive improvement in the agencies served
- Nevada Paramedic
- Nationally Registered Paramedic
- Certified Healthcare Emergency Planner

Experience Highlights
